

### Tri-Color (EX) Collection

Panasonic Tri-Color (EX) 40-watt T10 fluorescent lamps feature a high lumen output and an ultra-long, 20,000-hour service life. These efficient, economical lamps are designed to meet color-sensitive application needs and provide energy-saving retrofit opportunities. They can be used with conventional T12 ballasts as well T10 ballasts.

Cathode Guard

- Includes cathode guard
- Environmentally responsible, TCLP compliant

#### Suggested Applications:

Store Merchandising Displays,  
Offices, Healthcare Settings,  
General Commercial
