*Panasonic's electric Rice Cooker is ideal for restaurants, convenience stores and vending coffee service use.*

- Large Cooking Capacity – 74 servings of 3 oz. portions
- Thermal Safety Fuse built-in
- Automatic Shut-off
- Stainless Steel Lid
- Easy-to-clean Removable Pan Liner

#### Thermostat for Precision Control

The rice cooker will maintain the cooked rice warm for up to 2 hours under nominal\* operating conditions, virtually eliminating burning or overcooking of the rice. As a result, rice is cooked to the Chef's preference.

#### Easy Push-Button Operation

The push of a button starts the rice cooking. As soon as the rice is cooked, the unit shuts itself off.

#### Alternate Uses

Not only does it cook rice but can braise, heat liquids and cook many different items – call or see our web page for Chefs Technical Support for recipes.

#### Large Capacity

SR-42HZP can cook up to 23 cups (4.4 qts) in approximately 30 minutes.

#### UL and NSF Certified

SR-42HZP is built with a durability and attention to safety that has been tested and certified by both ETL and the NSF International, the Public Health and Safety Company™ for commercial use.

#### Direct Heating System

Specially sheathed heating elements heat the pan bottom directly which minimizes heat loss and in turn saves energy costs. A thermal safety fuse will protect the unit from possible temperature rise.

#### Easy-to-clean Removable Pan Liner

The included Aluminum Alloy pan liner lifts easily out of the cooker to make washing and rinsing a breeze. An Optional "Non-Stick" pan liner is available.

\* Ambient room temperature of 70°F and pan covered.
