

## We'll Show You What Performance is All About

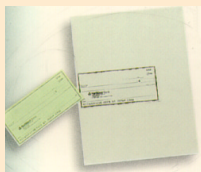

The Panasonic FP-7713 copier will truly impress you. It is a fast, compact powerhouse with features that will give your business award winning performance. The FP-7713 is packed with a wide range of features— something you don't usually find in this class of copier. The FP-7713— it will help you get the job done better, faster and easier.

### Key Features

#### SkyShot Mode

Lets you make copies of small originals, even when the cover is open— SkyShot automatically drops out the black background.

#### Fast First Copy Speed of 6.5 Seconds

Lets you make copies quickly and easily.

#### Up to 11x17 Size-for-Size Copying

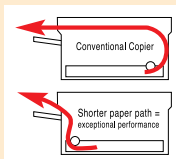

Copies up to Ledger (11x17) from both the Front Loading Paper Drawer and the 50 Sheet Bypass.

#### Zoom Copying

Lets you fine-tune your copying needs with a powerful 65%-141% Zoom.

#### Expandable Paper Capacity

A 250 Sheet Front Loading Paper Drawer with built-in 50 Sheet Bypass— expandable to 550 Sheets (with option FA-DSI6).

#### Simplified 6.5" Paper Path

Simple paper path decreases the possibility of jams.
