

# KV-SS50/55 Scanners

The Panasonic KV-SS50 Scanner and the KV-SS55 Duplex Scanner are high performance 40 ppm scanners designed for efficient and convenient storage of your documents. These scanners are designed for a multitude of imaging applications such as invoices, checks, business cards, irregular sized documents... even wrinkled documents. With superb high-speed paper handling and a compact footprint a Panasonic Scanner is an extremely attractive solution for a wide variety of document imaging applications.
