Sending and receiving faxes from your PC is an efficient and convenient way to operate. The only problem is that you have to leave your PC on 24 hours a day if you want to receive all your faxes. But now, with the Panasonic PC/Fax Store, you can receive faxes any time of the day, even when your PC is off! The PC/Fax Store retains all your incoming faxes and you can print them whenever you're ready. Don't leave your PC on all day and night...get the PC/Fax Store.
