## Special Limited-Time Pricing on Panasonic Pro Video Products

Between now and Dec. 31, 2009, take advantage of special low pricing on these Panasonic professional video products.

### AG-HPX170 Fully solid-state 1/3" 3-CCD P2 HD Camcorder

**Special price: \$4,562**

This ultra-mobile P2 HD handheld camcorder features full, 4:2:2 independent frame production quality HD and solid-state recording and workflow. The 4.2-lb. unit is fully solid state and comes with a new 1/3" progressive 3-CCD imager system, wider Leica Dicomar 13X lens, HD-SDI interface, metadata input and management, and a 5-year limited warranty (with registration).

### AG-HPX300 1/3" P2 HD Camcorder with AVC-Intra Recording

**Special price: \$7,512**

This HPX300 is the world's only affordable 10-bit 4:2:2 camcorder, and there's nothing even close. With a standard 17X interchangeable lens and a 2.2 megapixel 3-MOS imager, the 1/3" HPX300 records 1080 and 720 HD as well as SD content using exceptional quality AVC-Intra, DVCPRO HD, DVCPRO50, DVCPRO and DV compression — all with the benefit of P2's faster, file-based workflow and solid-state reliability.

### AW-HE870 High-Performance 2/3" Multi-purpose Camera

**Special price: \$8,799**

Offering a new level of affordability for a high-performance 2/3" HD multi-purpose camera, the HE870 supports 1080i/720p/480i image acquisition with the ability to produce superb HD quality in a wide range of lighting conditions. It's compatible with most 2/3" motor drive zoom lenses, all current Panasonic Broadcast pan/tilts and controllers, and many third-party systems.

### AJ-HPX2700 (VariCam 2700) 2/3" P2 HD VariCam® Camcorder

**Special price: \$24,950**

This 720/1080 capable camcorder is equipped with 1M 2/3" native HD 3-CCDs to produce 10-bit, 4:2:2 recordings in AVC-Intra 100, and records in AVC-Intra 50 and industry-standard DVCPRO HD too. VariCam 2700 offers intuitive operation with single-step variable frame rates ranging from 1 fps to 60 fps (in 720p mode), advanced gamma settings, and essential interfaces including three HD-SDI outputs.
