Peripheral Offered (what it does, how it connects to and is controlled by the PC): Toughbook Arbitrator -a rugged revolution in law enforcement video capture. The Toughbook® Arbitrator is a rugged and durable mobile digital video system that can be used with a Toughbook computer. It is specifically engineered to excel in the demanding environments law enforcement personnel face every day. Built with legendary Toughbook reliability, this fully-integrated system offers unparalleled video capture, storage, transfer and is designed to work with back-end software for seamless video management, including archiving and retrieving. The Arbitrator operates in real-time and offers comprehensive configuration capabilities to meet the operational and evidentiary capture needs of public safety and law enforcement operations. The Arbitrator Kit offered is specified as follows:

This bundle configuration Arbitrator Kit SKU / Description: (ARBTR-KIT-360) Arbitrator Main unit w/GPS, front camera, in-car mic & wireless digital mic, 16GB P2 card, software SI/Mini SI/CMS.

(CF-SVCARB2AMA1Y): Arbitrator Software Maintenance Agreement - 1 Year per VPU - Toughbook Arbitrator's Annual Support and Maintenance Agreement is designed to enhance your organization's experience with our SafeServ and CommandR™ software products. Panasonic's Agreement provides unlimited phone, email, and online chat access to our technical support team, 24 hours a day, 365 days a year. Software updates and upgrades are provided at no charge. The Toughbook Arbitrator Annual Support and Maintenance Agreement is a sound investment because it provides software upgrade protection for your organization. Your organization's representatives will have direct access to our technical support team for troubleshooting Arbitrator hardware and software operational issues. Software fixes, updates and upgrades will be provided electronically during the term of the agreement. Hardware repair will be performed via Priority Exchange of a qualified system component or by our National Service Center

TOUGHBOOK FOR A TOUGHWORLD.™

as outlined in our Standard Warranty. Please refer to the warranty sheet provided with each Arbitrator for more detailed information. Our agreement provides your organization with the fastest issue resolution time because your users will be working directly with Panasonic experts. Panasonic will provide software updates to your organization while covered under an active agreement. Additionally, we will be here to support your organization as operational issues change your internal requirements whether that is adding a server or moving to a new location.

Arbitrator Accessories that complete the Mobile In Car Video Solution:

(CN258IR-P) - Arbitrator Rear Seat IR Camera

(TGS-3DP) - G-Force Sensor for Arbitrator Vehicle, Includes Cables

(CF-WEB184AC) - CF-19 Vehicle Mount Port Replicator with Dual High-Gain Wireless Connector

(CF-LNDDC120) - Panasonic Lind 120W Car Adapter

Extended Warranty for this Solution Bundle

(CF-SVCARB2EX1Y) - Arbitrator 360 1yr Extended Warranty (Year 4)

(CF-SVCLTNF4Y) - Toughbook Protection Plus for the Toughbook Laptop (4 Years) - an added layer of coverage against accidental physical damage that occurs during regular use of a Toughbook® mobile computer. This supplemental coverage can reduce the inconvenience and expense of repairs necessitated by accidental damage.

Software/Application (what it does, how it controls the peripheral and PC): The Arbitrator software applications control the integrated functions of the Arbitrator camera system when installed in public safety vehicles.

Warranty: Extended 4 year warranty for Toughbook & Arbitrator as well as the 1 Year Arbitrator Maintenance for this specific Bundle.
