

**THE PANASONIC
UPGRADE TO
RELIABILITY
COMPANY.**

Take advantage of Panasonic's WSCA Premium Savings Package promotion and upgrade your department's computing equipment with the durable, lightweight Panasonic Toughbook® 53 at a special discounted price. The Toughbook 53's MIL-STD-810G-certified design, magnesium alloy case with spill-resistant keyboard and 320 GB shock-mounted hard drive will stand up to the rigors of high mobility, while the blazing-fast latest Intel® Core™ processors and 4GB of memory will keep up with multiple applications and the busiest pace.

MODEL:
CF-53AAGHX1M

PRICE:
\$1,830

CONTRACT NUMBER:
B27172 for Panasonic Toughbook rugged mobile computing products and accessories

SCOPE OF CONTRACT:
This contract provides Panasonic Toughbook computing solutions and accessories to participating state and local units of government and other authorized entities. It allows for very limited professional services directly related to the purchase of a Toughbook mobile solution.
