LOGO INDEX

ECONAVI

Senses the environment and usage patterns, automatically adjust power consumption to save electricity.

INTELLIGENT INVERTER

Regulates compressor and motor speed for optimum energy saving.

Vitaminsafe

Increases and retains the vitamin C content of fruit and vegetables.

VEGETATOR

Easy-to-use center position for convenient storage of heavy, space consuming vegetables.

Ag Clean

Filters and cleans circulating air to powerfully deactivate mould and bacteria, and reduce odours.

nanoe-G

Utilises nano-technology fine particles to purify the air in the room.

R410A

To utilize the eco-friendly refrigerant which cause minimum harm to the ozone layer.

Rated 5 star energy saving from the Bureau of Energy Efficiency. The more stars on the label, the more energy efficient the appliance is.

Panasonic refrigerators carry a 12-year compressor warranty.

Panasonic washing machines carry a 12-year motor warranty.

Water level and washing time are adjustable to reduce water and power consumption.

Up to 40% less energy consumption with intelligent inverter and up to 10% energy saving performance which reduces power consumption.

nanocare

Nano-sized electrostatic atomized water particles produced by Panasonic-developed technology. It has 1000 times higher water-holding capability than negative ions.

3D

The Active Shutter 3D Method gives you high-quality 3D images, and the Polarized 3D Method provides viewing comfort for long periods of time.

Has a wide viewing angle, uses a high-efficiency LED backlight and a high-transmittance panel which increases its brightness by 15%. This produces crisp, clear images.

Full-HD panel displays beautiful images without needing to perform pixel conversion for the 1080p video signal.

Light for ambience Light for reading

Single Lamp, Double Task

Close for a relaxed warm white atmosphere.
Lift shade up for a cool daylight reading scene.

Wide light-distribution lens

Wide Light-Distribution Lens

The specially designed wide light-distribution lens illuminates objects gently and uniformly, reducing glare on illuminated surfaces.

Linear Dimming

The brightness of this desk lamp can be smoothly adjusted from 100% to 20% by simply touching the up or down buttons to achieve an ideal lighting for various tasks such as reading, computer work, etc.
