# Download the app

Download the free "Panasonic Music Streaming" app from the store on your smartphone/ tablet.

ios : App Store

Android: Google PlavTM

### Open the app and follow the on-screen instructions

Select ALL05.

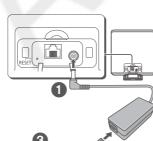

Connect the AC adaptor and AC mains lead.

NOTE:

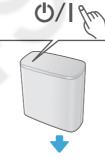

Do not connect the LAN cable.

Turn on the unit.

Wait until the network indicator stops blinking in blue and red, and starts blinking in blue.

The blinking in blue starts after approximately 60 seconds. If the blinking in blue does not start, restore the factory defaults. (see Operating instructions)

**IOS**: Follow the steps on app screen.

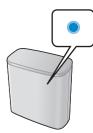

- "AllPlay XXXXXX\_AJ" can sometimes take 1 minute to appear in the network list.
- Depending on the screen size of your smartphone/tablet, you may need to scroll to the bottom for any remaining steps.

**Android**: Enter the password of your wireless network.

# 3 After a short wait ...you're connected!

The network indicator lights up in blue.

After a short wait, your smartphone/tablet should be automatically reconnected to your Wi-Fi network. In case you are not reconnected automatically, please re-select your Wi-Fi network from the settings / Wi-Fi settings menu on your device.

#### **Further Support**

For more information and other network setting methods, refer to the Operating Instructions. If you require further help, please visit http://panasonic.jp/support/global/cs/audio/(This site is in English only.)
