

**SUBJECT: SMD Trim Pot. EVN5ES and EVN5CES Change in
Termination Material**

BULLETIN #: PG45.02.03.00

Date: February 3, 2000

Effective Date: Starting from April 1, 2000 production

The termination material for the 3mm size SMT Trimmer Potentiometer (carbon type) Panasonic part number series EVN5ES and EVN5CS will be changed on production date April 1, 2000.

The current solder plating will be changed to palladium plating. There is no change in the product's electrical, mechanical or solderability properties. The reason for the change is to reduce the lead content of the product.
