

SUBJECT: ECJ-xxxxxxx Series Multi-Layer Ceramic Chip Capacitor Part Number Change to reflect an increased quantity per reel of certain Case Sizes / Capacitance Values which, in turn, reflects a change in the Minimum Order Quantities

BULLETIN #: ECN.PG33.03.08.04-1 Revised

Date: May 4, 2004

Page 1 of 1

EFFECTIVE DATE: April 1, 2004

REASON FOR CHANGE: To more fully utilize the carrying capacity capability of each reel

ENGINEERING CHANGE DETAILS:

Position # 5 of the Part Number [ECJ-xYxxxxxx changed to ECJ-xFxxxxxx]
 previously had the code ' Y ' which designates 2 K pcs per reel 4mm Embossed Tape
 now has the code ' F ' which designates 3 K pcs per reel 4mm Embossed Tape

OTHER DETAILS: Mechanically and electrically, all other aspects of the component are unchanged.

Affected Part Numbers: [P/Ns with or without 'dash' - are valid]
