

SUBJECT: V-TA series Surface Mount Type Aluminum Electrolytic Capacitors
EEV-TA parts

BULLETIN #: [NRFND.PG44.06.05.09-7](#)

Date: June 5, 2009

Details: V-TA series Non-RoHS Surface Mount Type Aluminum Electrolytic Capacitors are **NOT RECOMMENDED FOR NEW DESIGN**, in compliance with Restriction of Hazardous Substances (RoHS) directive.

Please refer to the attached list of specific part numbers affected and their recommended replacements.

V-TA series -> V-TG series
