

Industrial Alkaline Contractor Packs

Available in bulk, rugged boxes for commercial use, Panasonic Industrial Alkaline batteries are designed for today's heavy current or continuous use applications, offering long-lasting power over a range of sizes.

Features Include:

- Dependable batteries for end-users in the professional, industrial, contractor marketplace
- Rugged corrugated packs
- Strong branding
- Bold graphics
- EU Compliant
- Durable, economical bulk packaging
- Sell either as a full case or individual inner cartons
- Large readable type font for easy product identification
- Inner carton description shows English, French and Spanish text
- Safety locking tab prevents accidental spillage and damage to batteries

Battery sizes include:

- D, 12 pack
- C, 12 pack
- AA, 24 pack
- AAA, 24 pack
- 9V shrink, 12 pack
