Intelligent controller: 2 systems

Opened in 2012, Le Centurie is a shopping complex located in the province of Padua in northeastern Italy. So that it could integrate with a surrounding area rich in historical buildings, the mall was built primarily with natural materials. Just over half of its total area of 40,000 m² is devoted to merchandising, with 40 commercial spaces offering fashion, electronics, homeware, and health and beauty products.
