 Twenty series: 105 systems
 Cooling Capacity: 1,391 kW / 395 USRT
 Indoor Units:
 Wall Mounted: 150 units
 Twenty ducted: 105 units

Located at the waterfront in Wanchai, this modern and well-appointed 41-floor residential building contains 177 units, each of which enjoys an expansive harbour view. Units in the 160 metre-high building feature 3.5-metre ceilings and range in size from 46 to 372 m². Amenities include the Skyclub on the top floors, which includes a gym and an indoor heated swimming pool, and the third-floor podium garden with mini lawn-bowls court. The Gloucester has already received the BEAM Society of Hong Kong's coveted Platinum accreditation.
