

## Frequently Asked Questions

### Appliance

#### Meat grinder:

**Q1: Can we use Panasonic MK-MG1500 meat grinder purchased from UAE in USA?**

A1: The model MK-MG1500 is Middle East& Africa model and the voltage of UAE is 220 to 240, so it's not recommended to be used in USA if the voltage is different.

**Q2: Is Panasonic MK-MG1300 Gears & Gearbox made of high intensive plastic material or a metal?**

A2: Panasonic MK-MG1300 Gears & Gearbox is made of high intensive plastic material.
