## English

Thank you for choosing a Panasonic shaver ES-RS10. Please read all instructions before use.

### Important

#### ► Warning

- Keep the appliance dry.

- Terminate usage when there is an abnormality or failure.

#### ► Caution

- The outer foil is very thin and can be damaged if not used correctly. Check that the foil is not damaged before using the shaver. Do not use the shaver if the foil is damaged as you will cut your skin.

- Always follow the cautions printed on the battery.

- Check the polarity of the battery (+ and -) and install it correctly.

- Do not mix a new battery with an old one or use different types of batteries.

- Remove the battery immediately when it is discharged.

- Remove the battery when not using the appliance for an extended period of time.

- Use the battery by the recommended use-by date.

- Attach the protective cap when carrying or storing.

- Never alter the appliance. Also, do not disassemble or repair it.

- Do not use excessive pressure to apply the outer foil to your lip or other part of your face. Do not apply the outer foil directly to blemishes or injured skin.

- Do not disassemble the battery or throw it into a fire. Do not short-circuit the battery.

- Do not share your shaver with your family or other people. Doing so may result in infection or inflammation.

- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision

or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.

#### ► Intended use

- Do not leave the shaver in a hot area.
- Never use thinners, benzine, or alcohol to clean the shaver since it may cause malfunction or cracking/discoloration of the parts. Clean using a mild detergent.
