

Panasonic Introduces New Powerful Steam Convection Cubie Oven that Offers Convenient Healthy Cooking Options for Those with Busy Lifestyles

The new Cubie Oven (NU-SC280W) features versatile cooking and is easy for everyday usability to align with the Panasonic Cooking tagline - 'Healthy Everyday'

Petaling Jaya, 13 July 2023 – – Panasonic today introduced its latest product, the Powerful Steam Convection Cubie Oven ([NU-SC280W](#)), a new model of Cubie Oven in 31L capacity. This oven is designed to change the way of cooking style and promote a convenient healthy lifestyle. This state-of-the-art kitchen appliance combines the power of steam with versatile cooking features. The Cubie Oven is also easy to use and clean, perfect for modern homes.

Panasonic Cooking understands the challenge faced by those busy lifestyle individuals & growing families when it comes to preparing healthy meals. Despite the challenge of limited time, energy, and resources, Panasonic Cooking recognizes the importance of being able to prepare nutritious meals in a short time, which makes the Powerful Steam Convection Cubie Oven ([NU-SC280WMPQ](#)) a practical solution and the perfect kitchen partner for busy families, particularly working moms.

"We are thrilled to introduce the Powerful Steam Convection Cubie Oven ([NU-SC280W](#)) as the ideal kitchen companion for health-conscious individuals and families or those who are on the journey to live a healthier lifestyle," said Keisuke Nishida, Managing Director of Panasonic Malaysia. "The new Cubie Oven aligns with one of the well-being pillars – Inner Wellbeing – under our brand action tagline "Create Today. Enrich Tomorrow.". Inner Wellbeing starts in the kitchen through healthy eating. Keeping this in mind, we are focused on building cooking solutions that inculcate a healthy diet and lifestyle. The new Powerful Steam Convection Cubie Oven (NU-SC280W) is designed to offer a more convenient and versatile cooking experience not just for an individual but also a growing family with busy lifestyles."

NU-SC280W

Steam Convection Cubie Oven
