VISUALS

The Panasonic TV generates vivid and breathtaking visuals by enhancing 3 key visual aspects – **contrast, colour and clarity**, to perfection.

COLOUR

CLARITY

CONTRAST

C O N T R A S T

SUPER BRIGHT PLUS

Get spectacular brightness, dynamic colour and perfect contrast throughout your viewing experience. Know what it's like to have consistent clarity with incredible detail, in bright visuals as well as dark.

Experience dynamic TV viewing like never before, with Panasonic TV's better tone mapping that individually enhances every scene to provide pristine picture quality.

Conventional

HDR10+, Dolby Vision

B R I G H T

CLARITY

The 4K Colour Engine produces unmatched picture quality and brings the cinematic experience to your living room.

4K dimming

4K upscaling

Noise reduction

4K dimming

Backlight control and signal processing create high-contrast images, produced by controlling brightness in thousands of areas in the picture.

4K upscaling

Panasonic's high-performance image processing engine upscales full HD content to 4K equivalent.

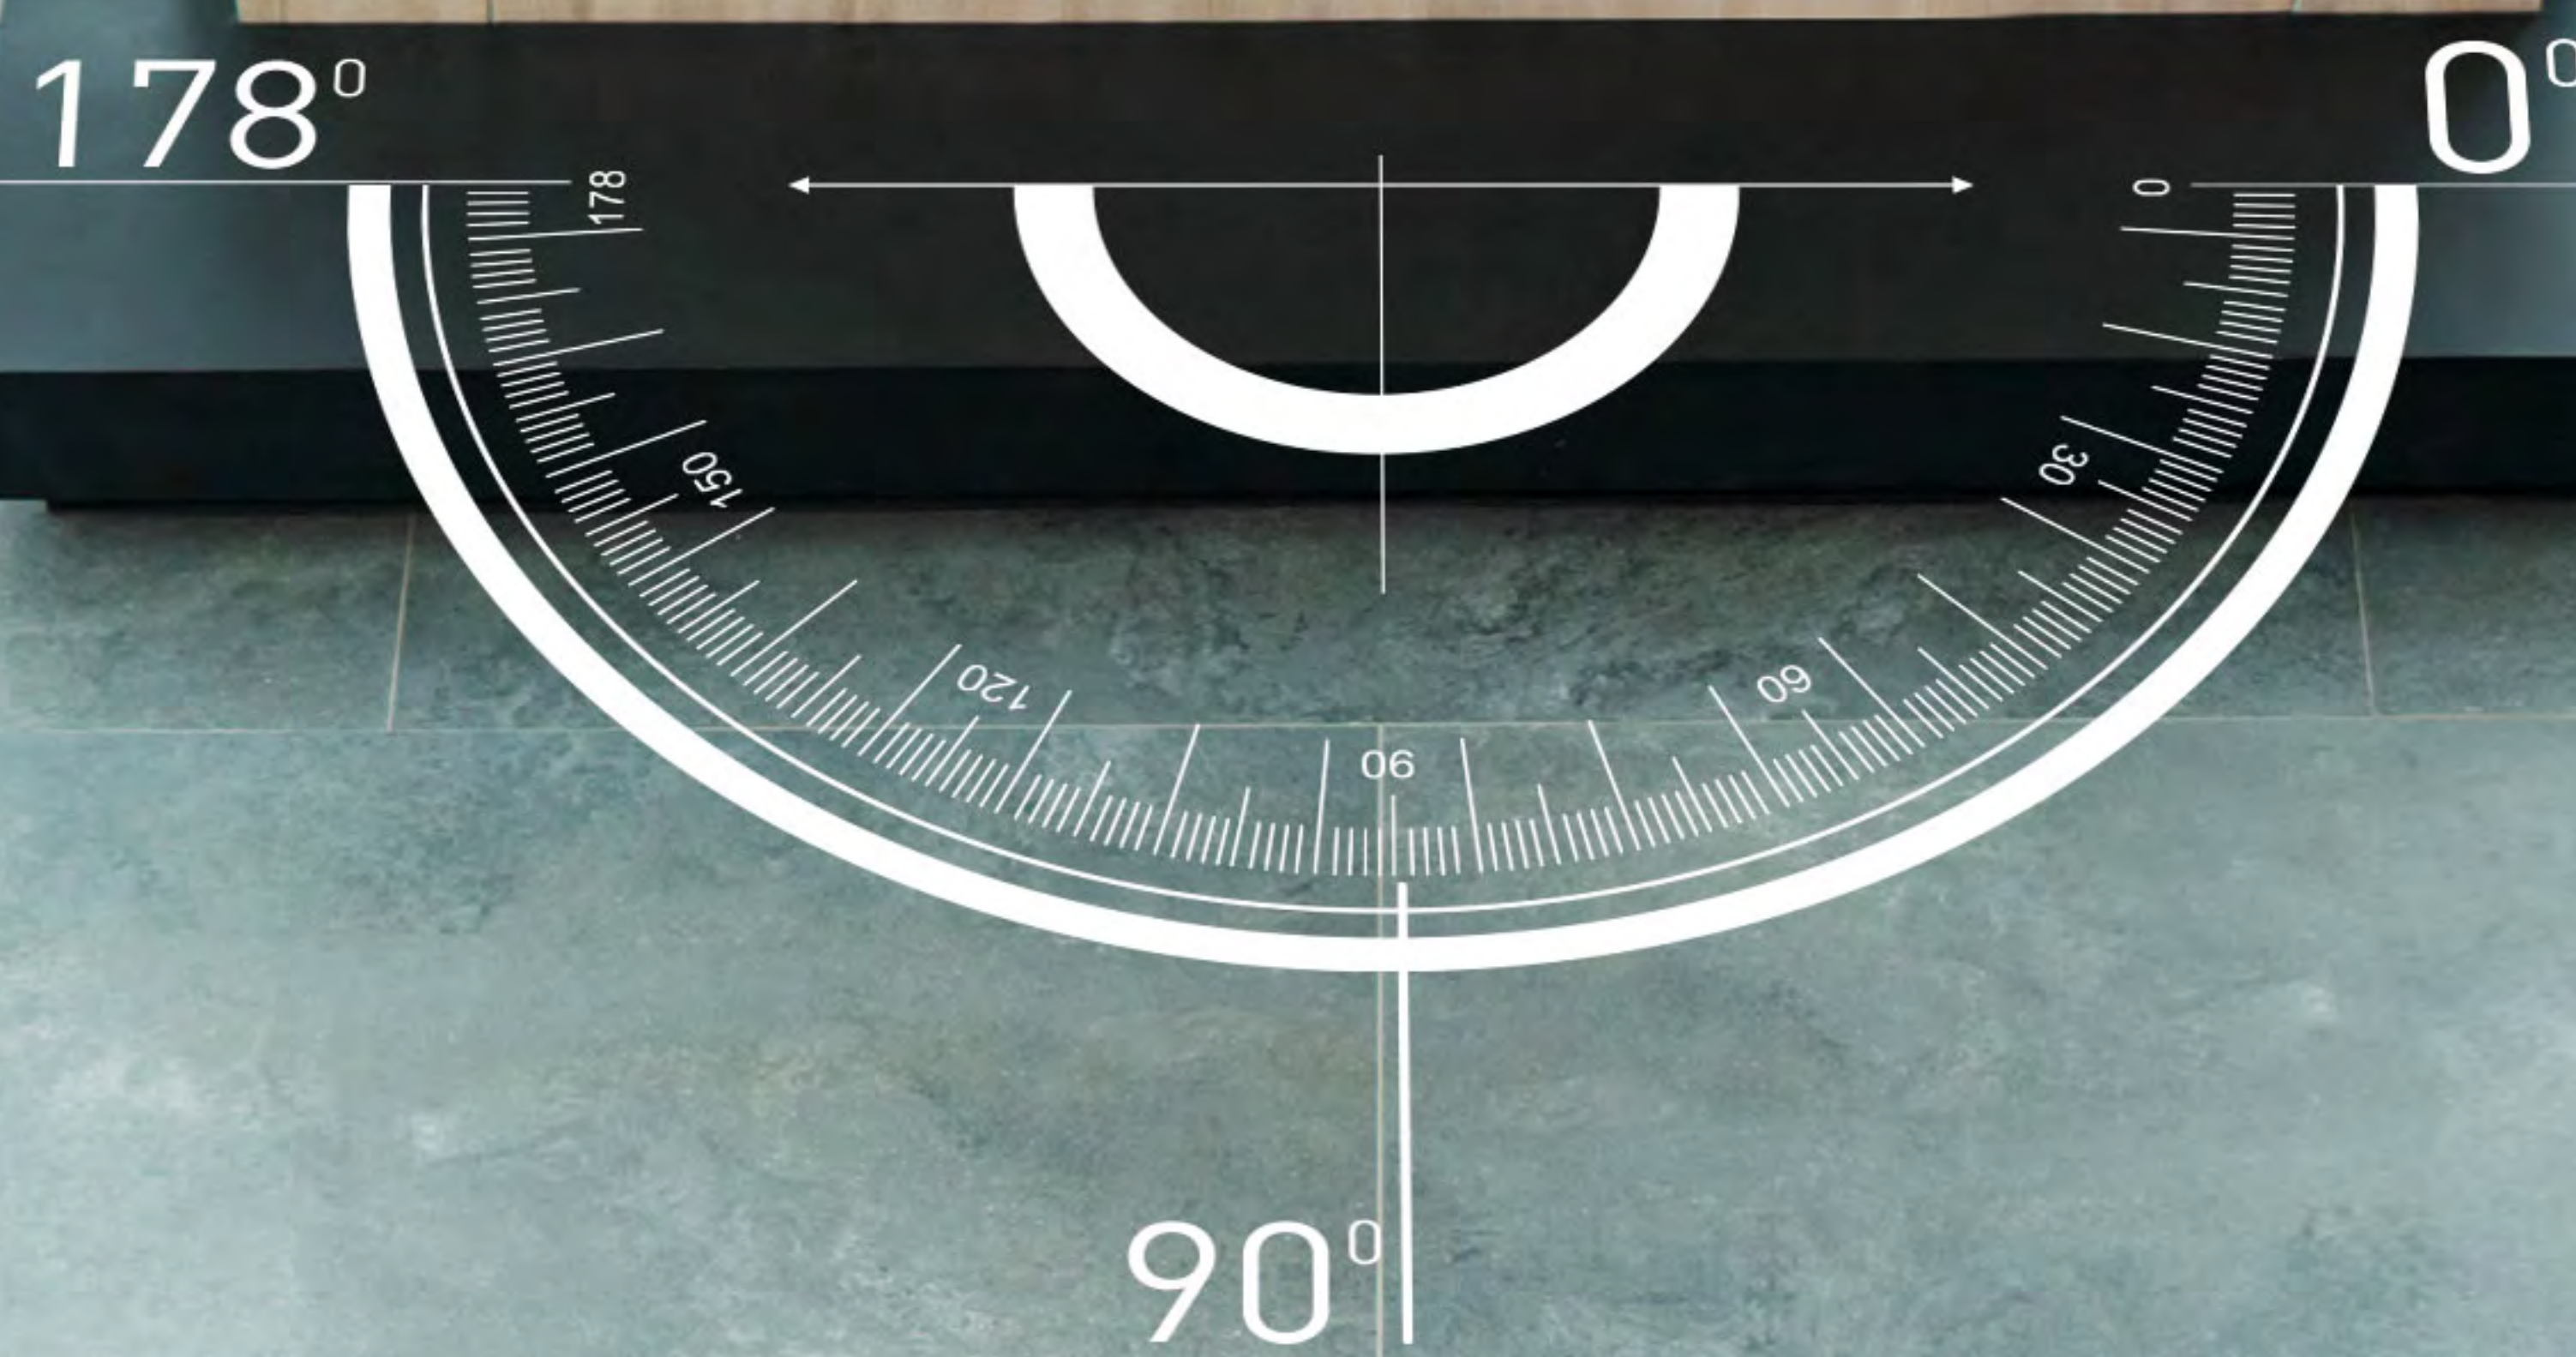

Noise reduction

The processors remove noise coming from the source for better, crisper and clearer images.

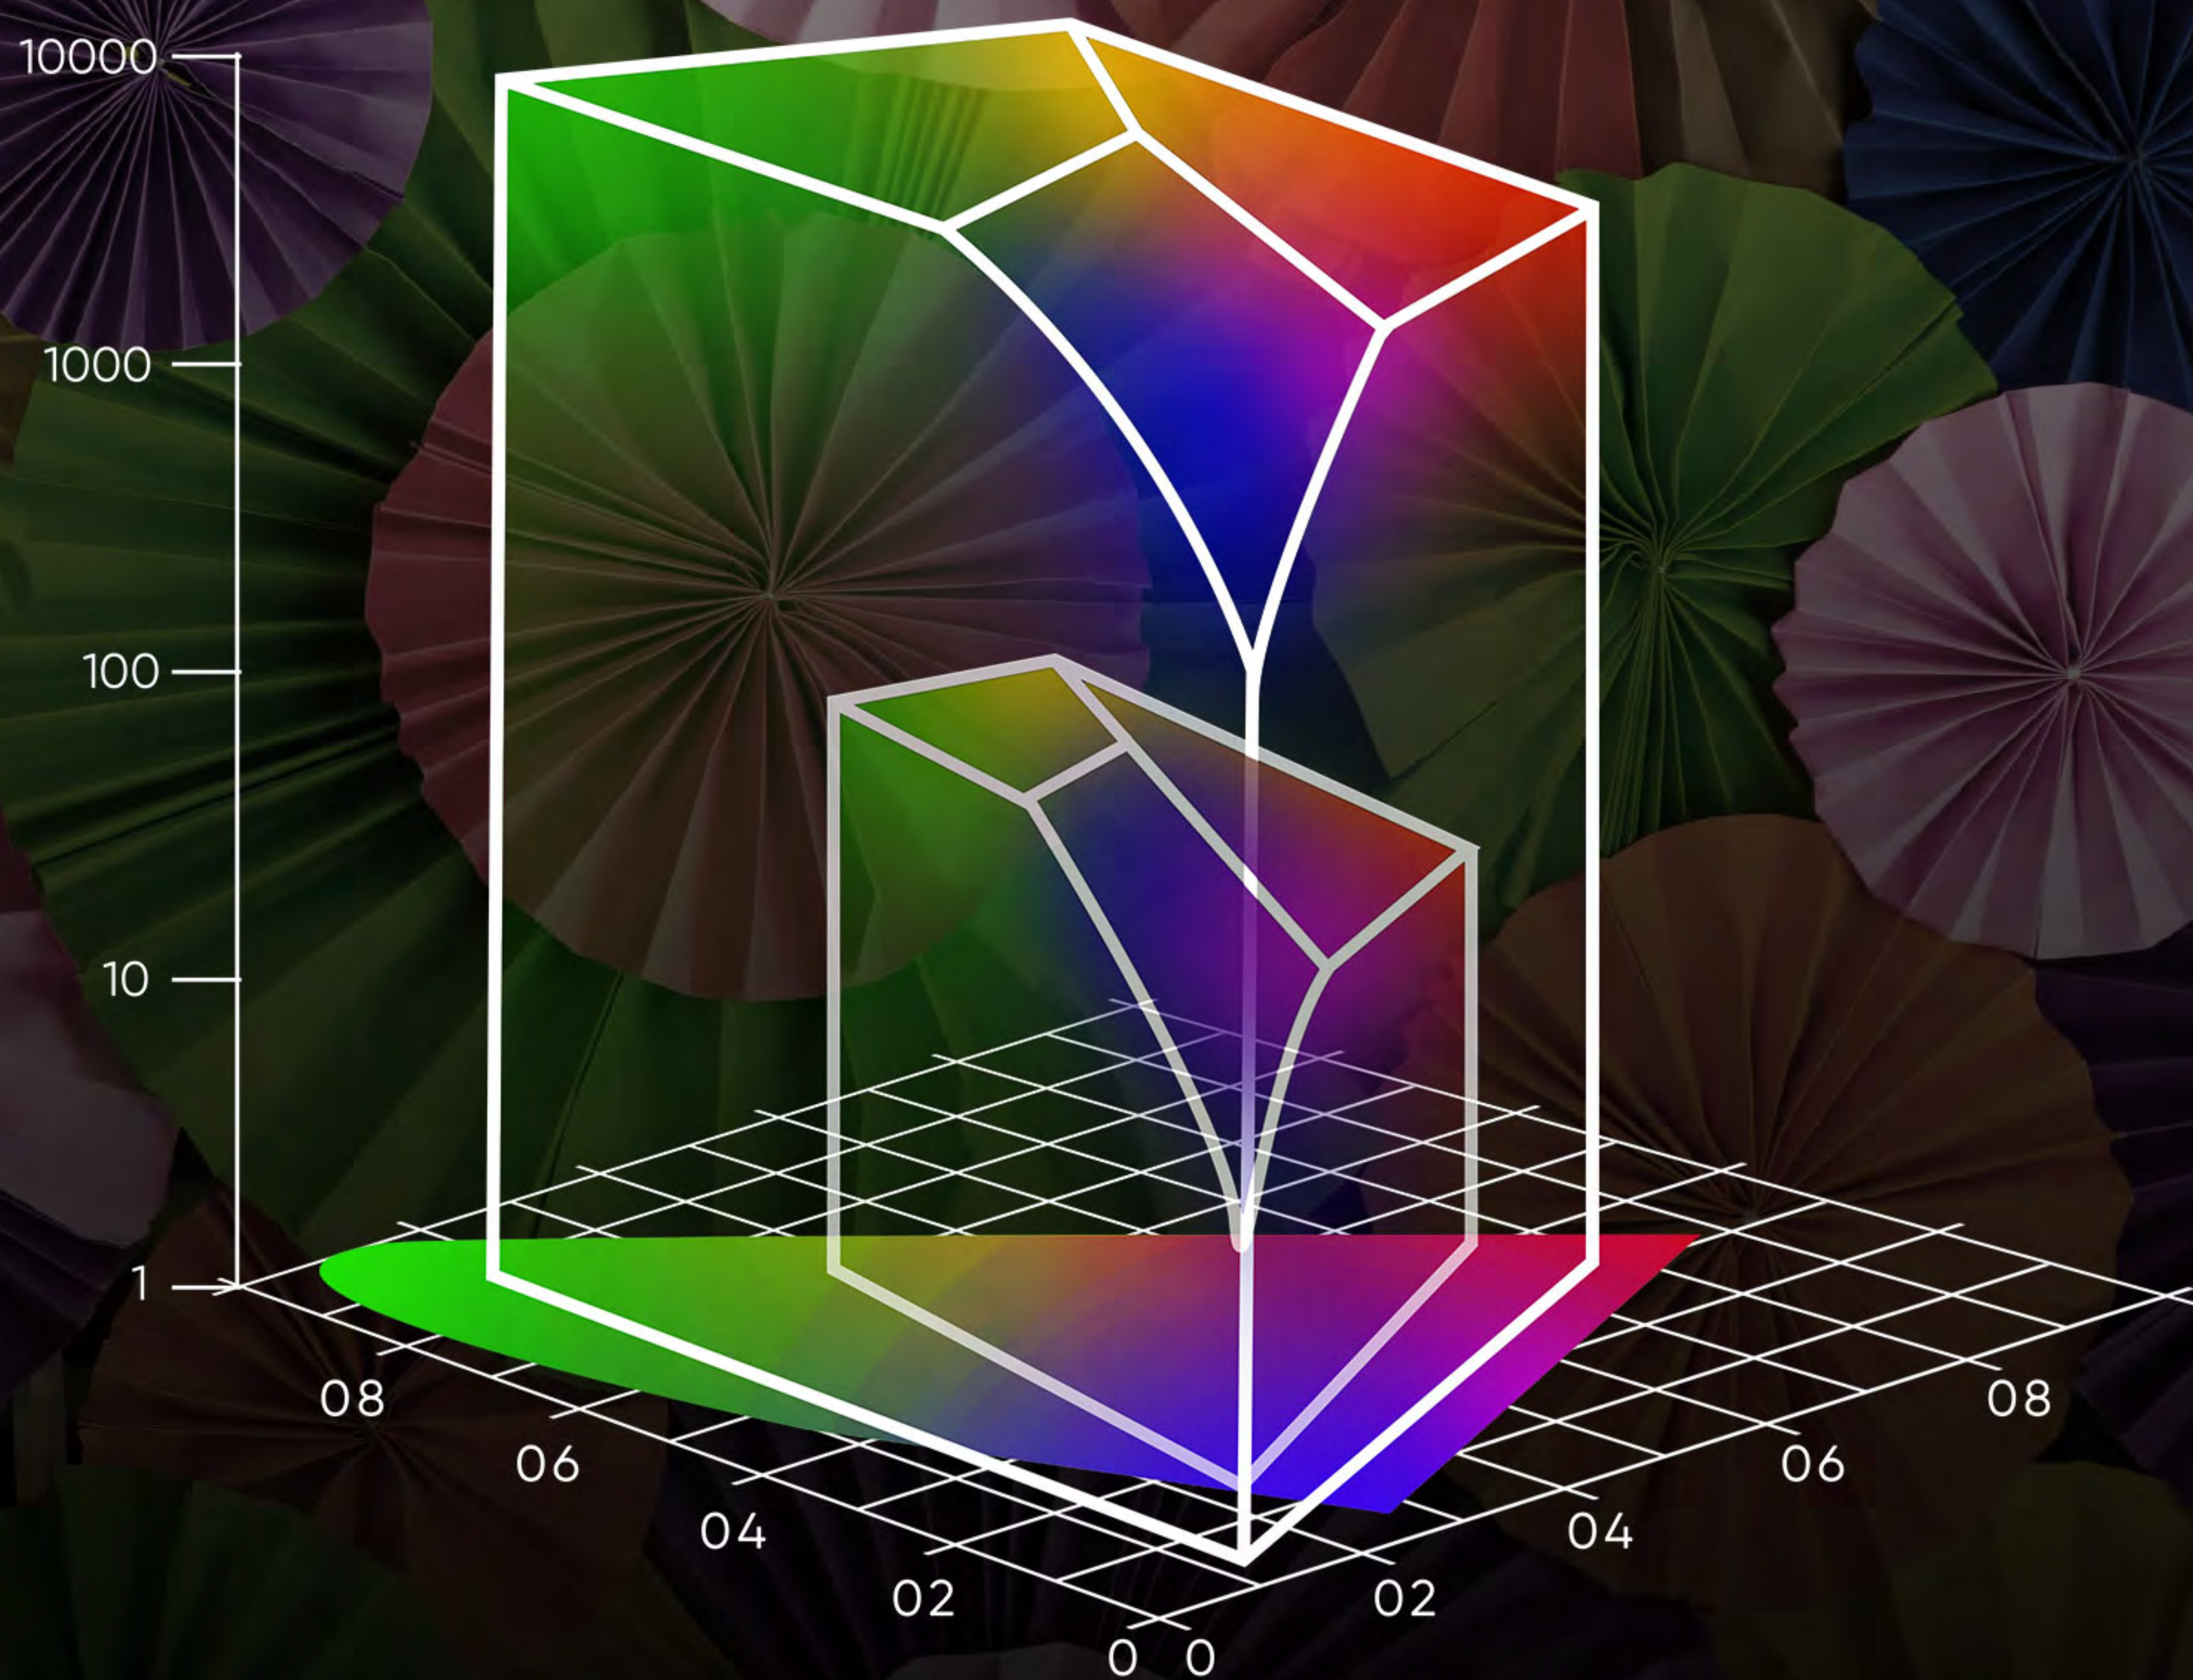

ACCUVIEW DISPLAY
WITH WIDE VIEWING ANGLE

GET THE COMPLETE PICTURE, FROM ANY PART OF THE ROOM.

Get the complete, perfect and real picture from any angle with AccuView Display.

COLOUR

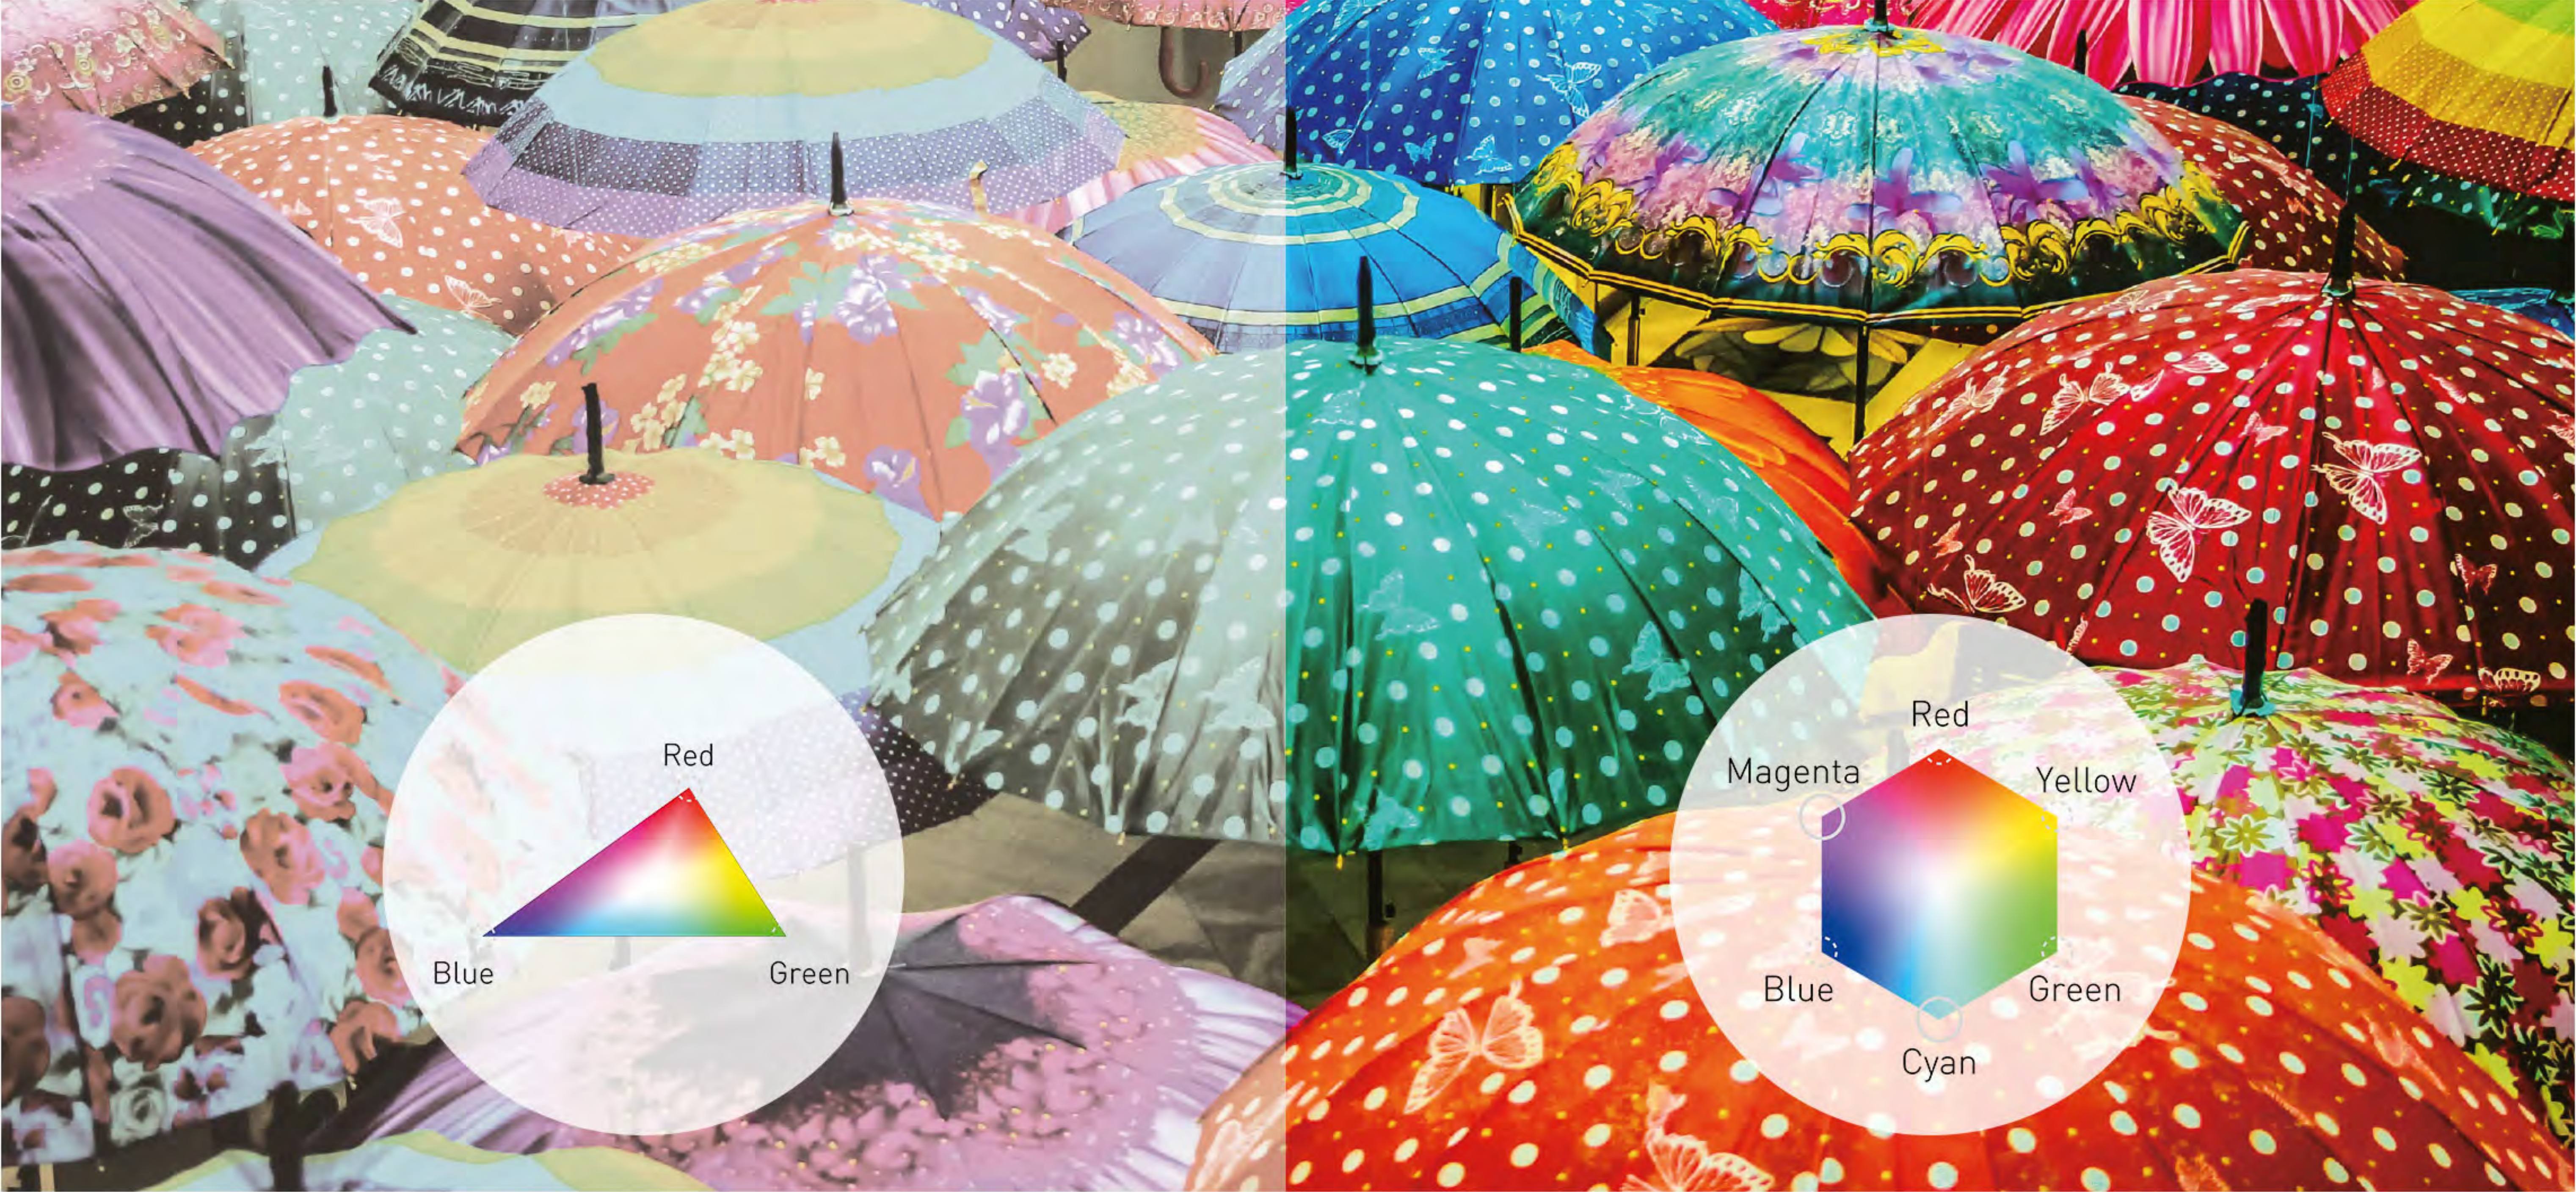

WIDE COLOUR GAMUT

See the real colour of every image, restored by the 83% Ultra Wide Colour Gamut.

ONE BILLION COLOURS ARE ACCURATELY REPRODUCED AND DIFFICULT, DARK SHADES ARE ALSO FAITHFULLY RENDERED.

Experience stunning picture quality like never before. Thanks to 6-Colour Reproduction, our TV has achieved remarkably high picture quality with Panasonic cinema quality. This amazing quality offers you a memorable viewing experience and delivers outstanding colour clarity.

NATURAL SKIN TONES AND COLOURS WITH BRIGHT, SHARP IMAGES.

A form of image rendering designed especially for digital signals corrects colour, brightness and sharpness. It achieves natural skin tones and colours, enhances brightness and sharpens images with an original noise-reduction method. This unique technology allows you to experience truly superb images.

hotstar**

CONNECTIVITY

BLUETOOTH CONNECTIVITY

Bidirectional Bluetooth 5.0, supporting peripheral connection with any Bluetooth speaker, phone, headset, gaming controller, keyboard or mouse.

 Chromecast
built-in

STREAM THE ENTERTAINMENT YOU LOVE WITH YOUR PHONE, TABLET OR LAPTOP, ON YOUR TV.

With Chromecast built into your Panasonic TV, your phone becomes your remote. Simply tap the Cast button in apps you already know and love, to stream entertainment on your TV with your phone, tablet or laptop.

iCast

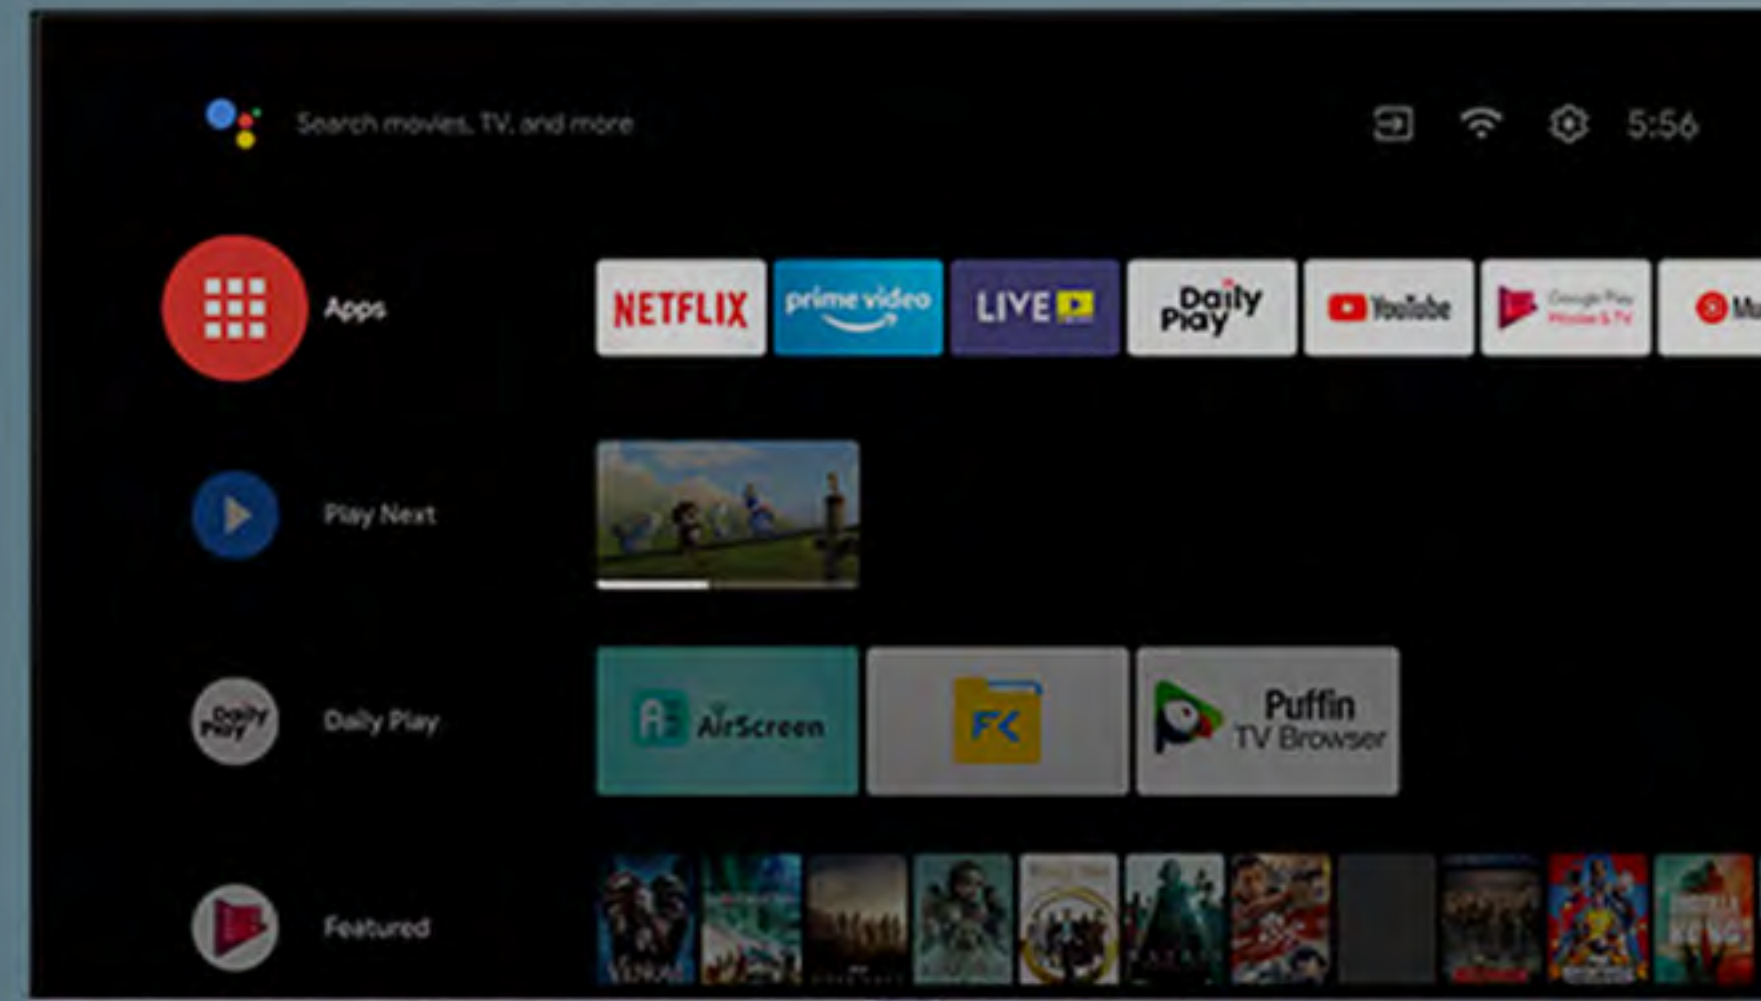

Compatible with Apple
devices too, unlike ever
before.

VOICE CONTROL

Control your TV with your voice.

Experience the ease of hands-free voice control instead of remote control, with a range of up to 5 m. Turn it off when not required.

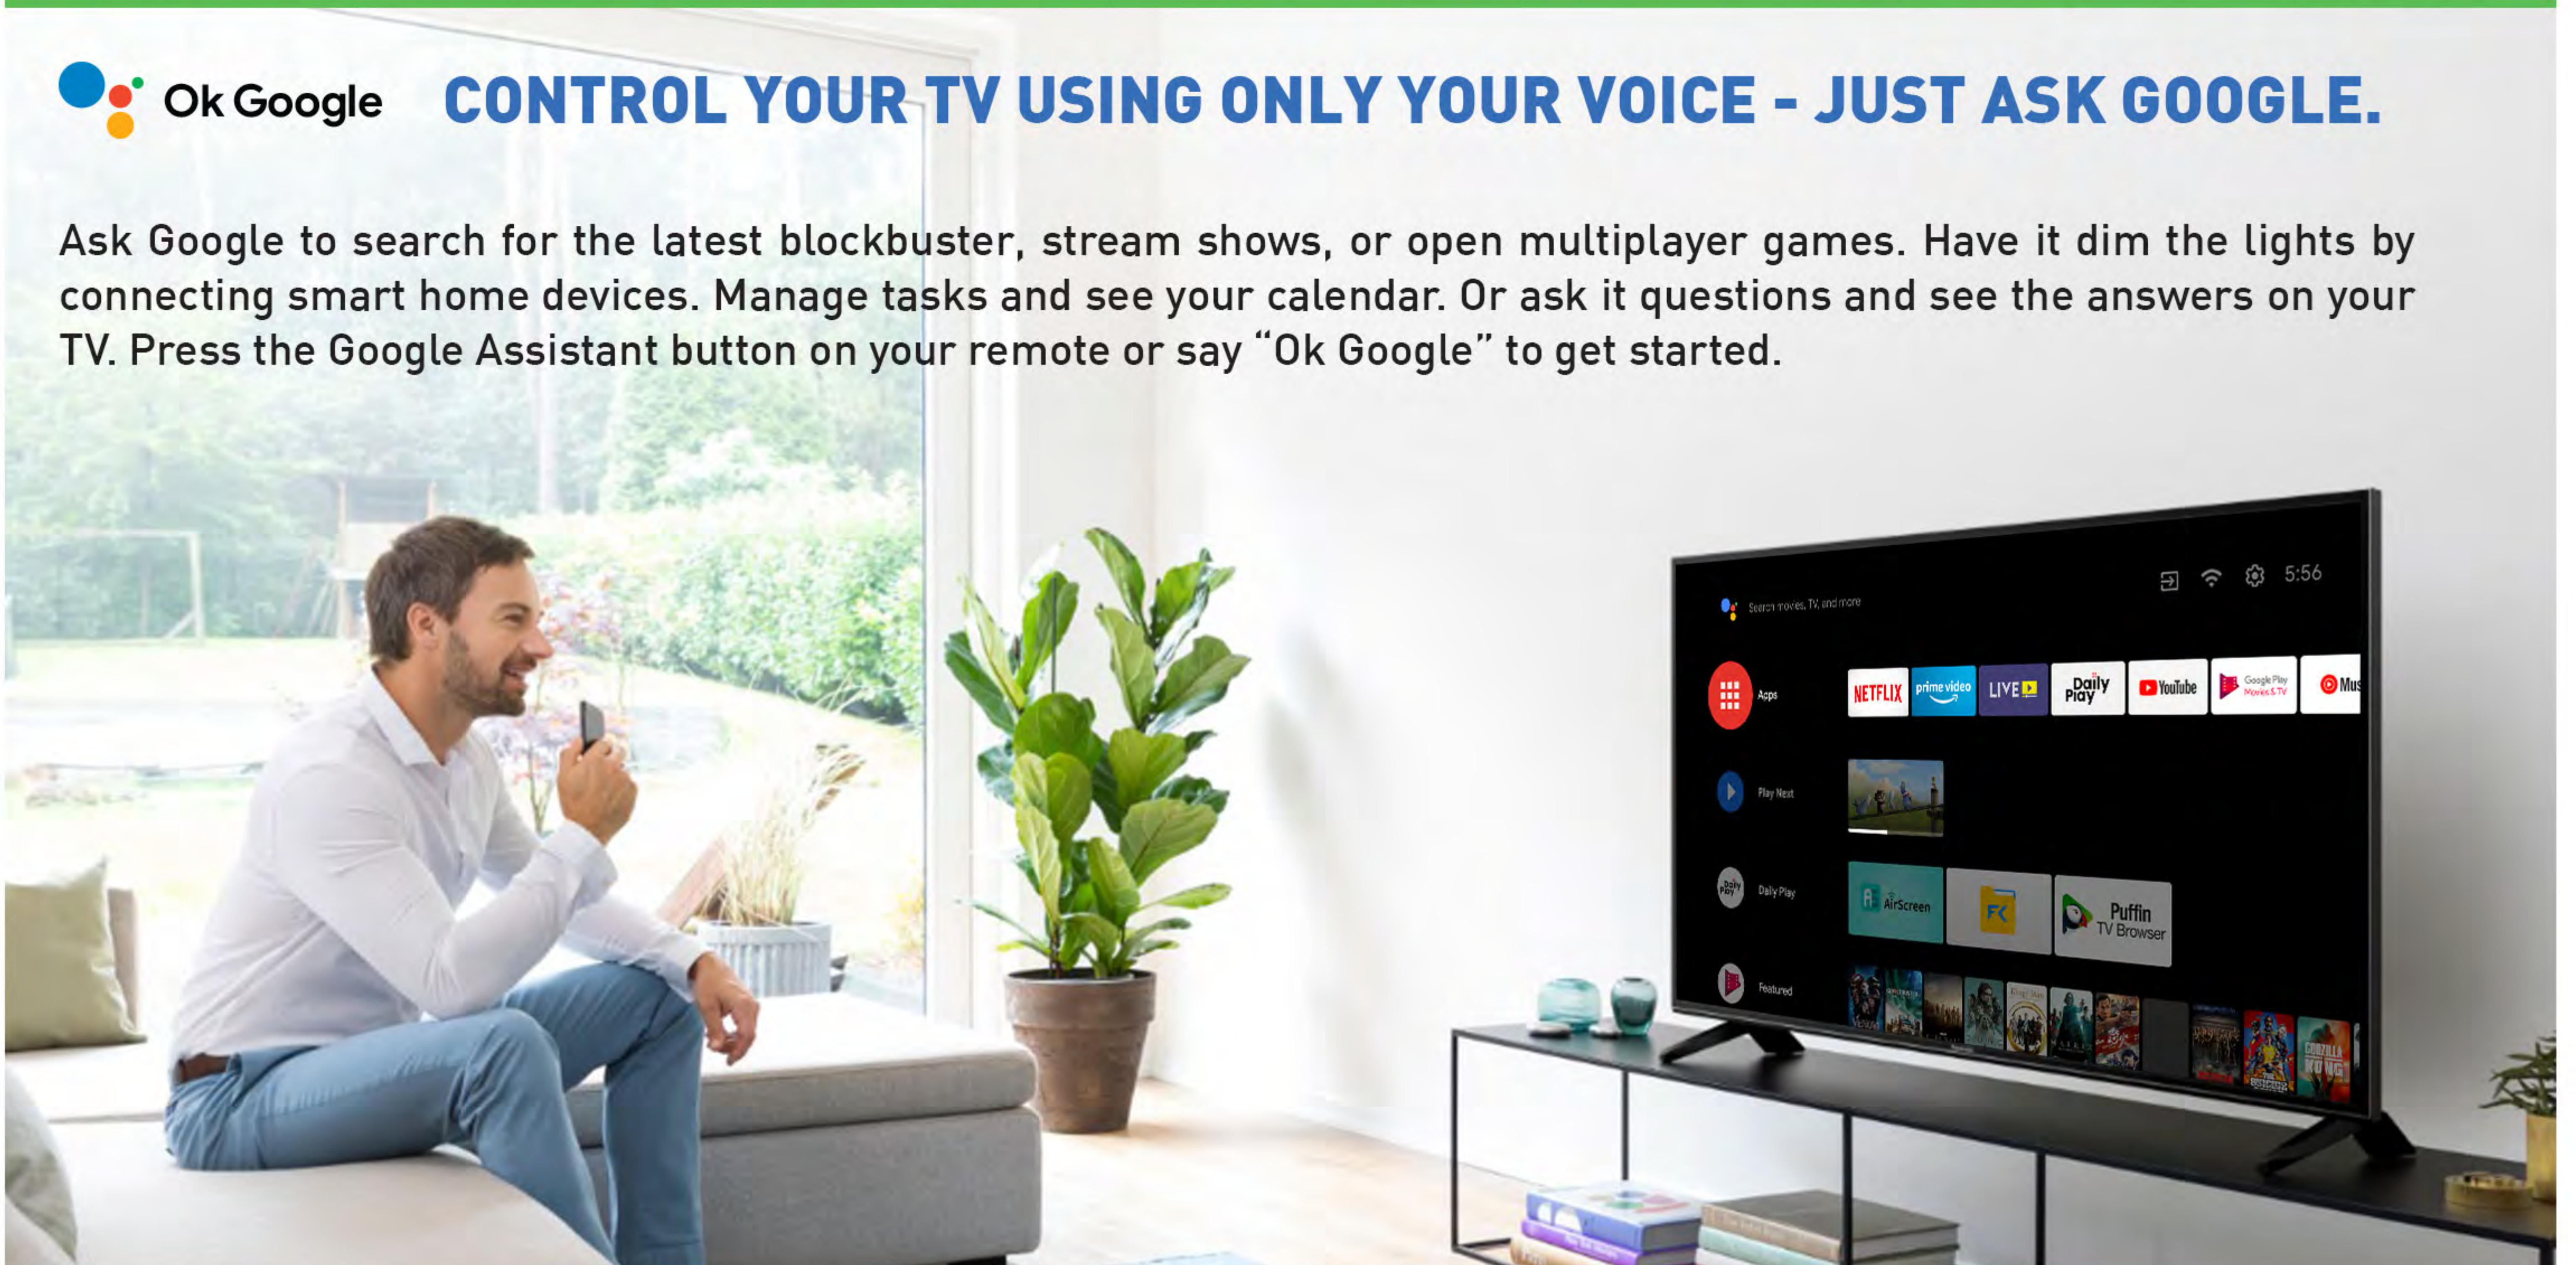

Switch off
hands-free voice control

Ok Google **CONTROL YOUR TV USING ONLY YOUR VOICE - JUST ASK GOOGLE.**

Ask Google to search for the latest blockbuster, stream shows, or open multiplayer games. Have it dim the lights by connecting smart home devices. Manage tasks and see your calendar. Or ask it questions and see the answers on your TV. Press the Google Assistant button on your remote or say "Ok Google" to get started.

WORKS WITH ALEXA

Now, you can control your home cinema with just the help of Alexa. Being Alexa-enabled, the Panasonic TV is equipped with voice control. So, you can now power your IoT-enabled TV simply with your voice.

SMART HOME SOLUTIONS

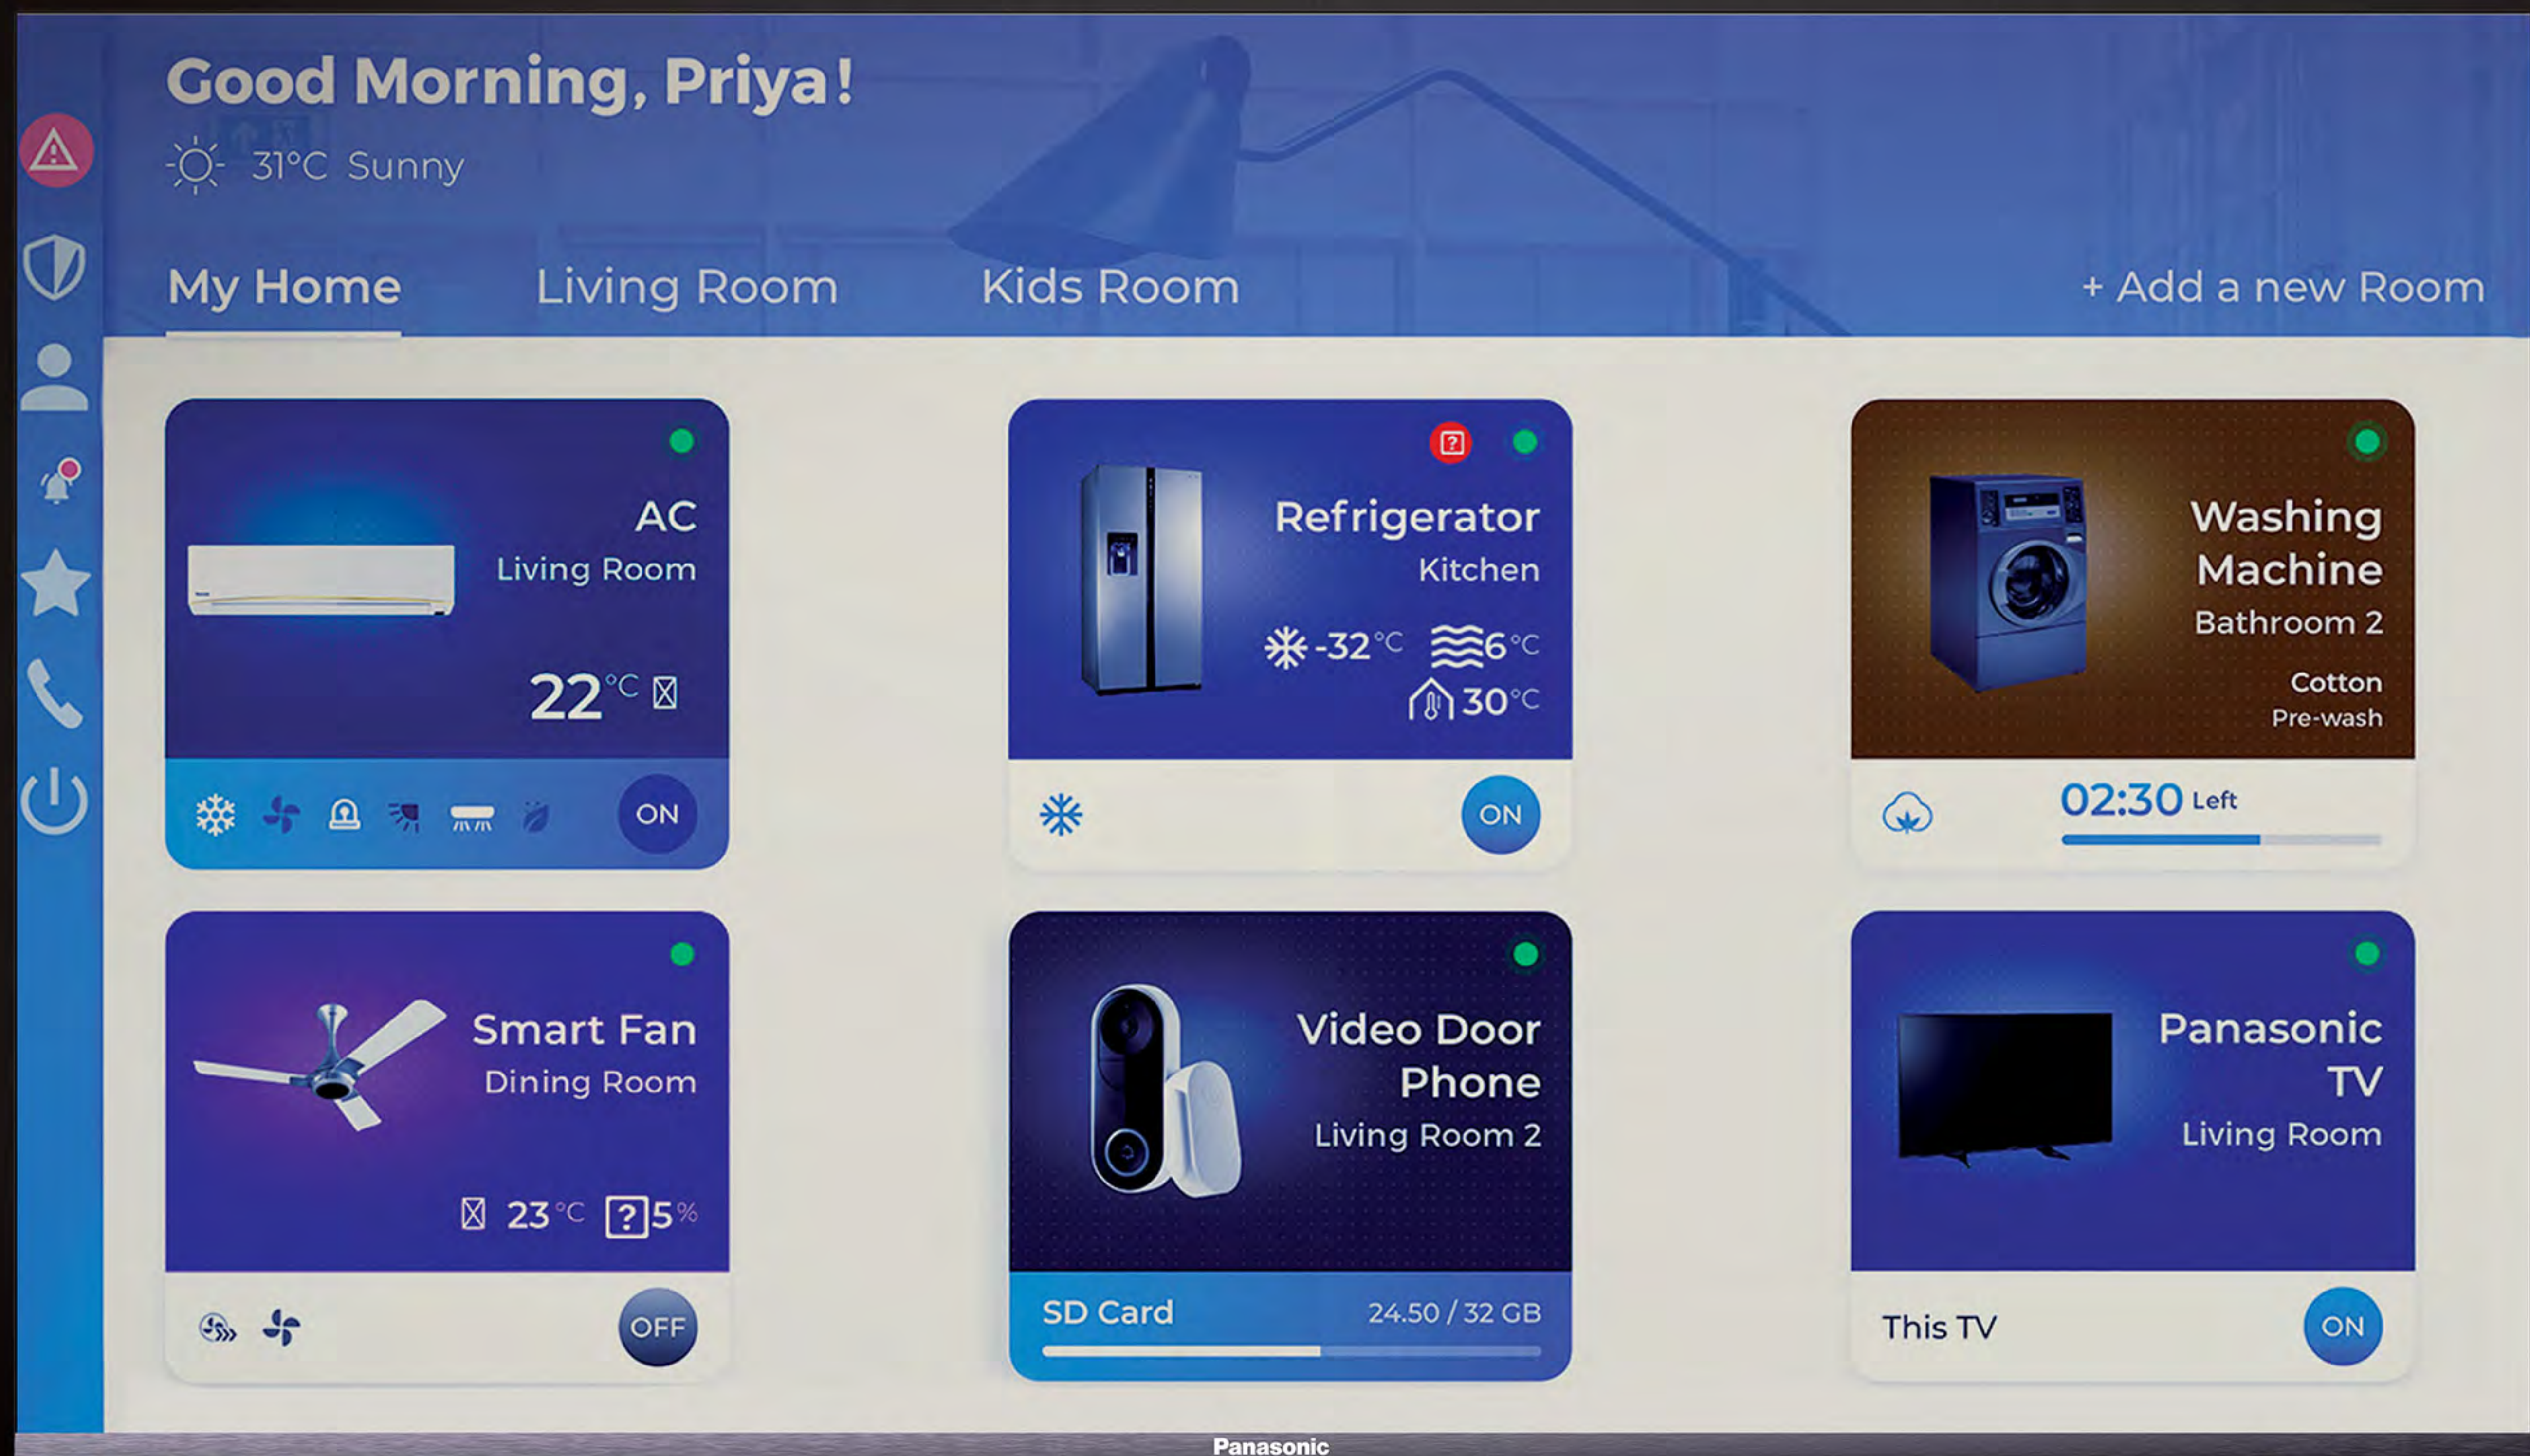

YOUR ANDROID TV NOW HAS CONNECTIVITY WITH A PLETHORA OF SMART PRODUCTS.

You can now connect it easily with devices like security cameras, video communication tech, switches and many more.

IOT CONNECTIVITY

With the Miraie app, you can manage all your household chores on your TV.
Control all of your Panasonic appliances like AC and Smart Doorbell, on one big screen.

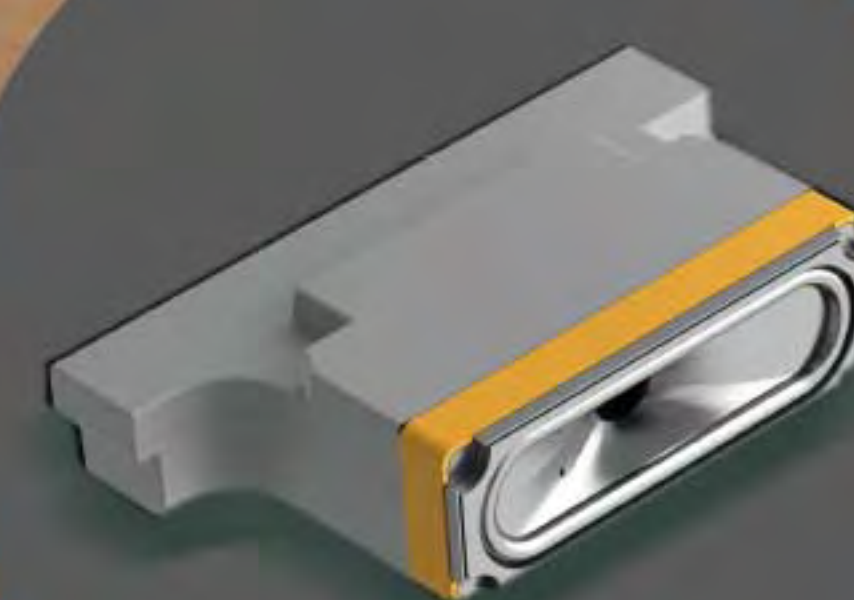

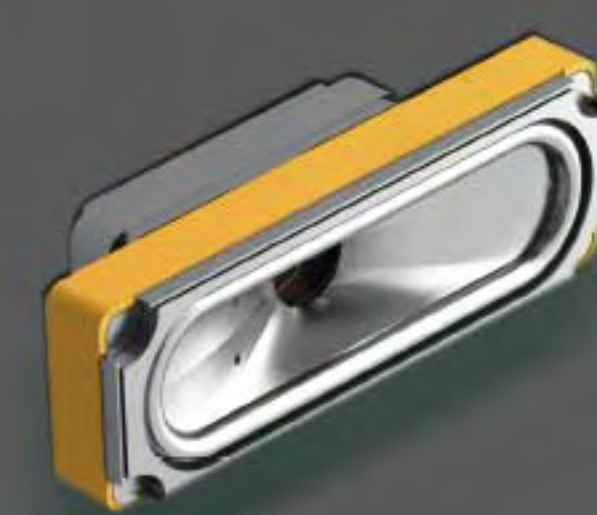

SOUND

HOME THEATRE BUILT-IN

Our special speaker units with box-type structures produce resonance and high sound pressure, thus delivering a robust bass and optimum sound quality. Moreover, the JX850 TV comes with an in-built tweeter.

PLAY WONDERFUL SOUNDS WITH EASE, FROM A VARIETY OF CONTENT.

Get more listening choices by connecting your TV to headphones or wireless speakers via Bluetooth Audio Link.
Play music on your TV with just a tap.

Our TVs comply with major industry standards for audio performance.

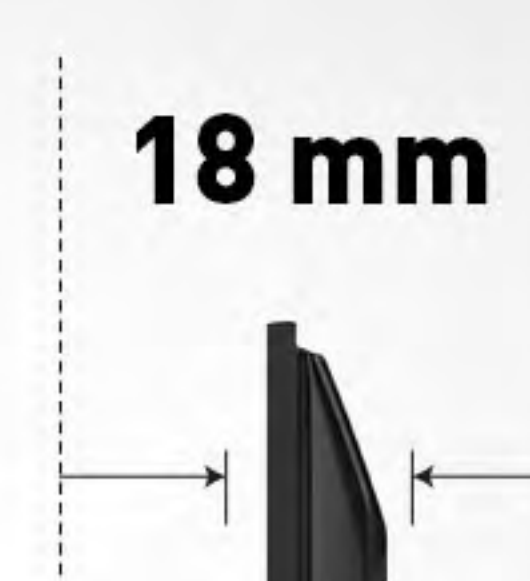

DESIGN

GREAT LOOKS WITH PICTURE PERFECT VIEWING

Inspired by the idea 'Less is perfection,' the bezel-less design gives you a complete picture without any distraction.

SLIM BEZEL DESIGN

Minimalistic design for a wholesome experience.
