STEAM IRONS

2 YEARS WARRANTY

ANTI-CALCIUM SYSTEM*

It prevents clogging of calcium deposits in the steam vents offering high calcium cut performance without maintenance.

VERTICAL STEAM BURST*

It allows you to direct an extra burst of steam where needed, for easy crease removal even in hanging garments.

ROUND RIDE* U-SHAPE CURVED SOLEPLATE

Its unique U-shaped soleplate prevents bunching up of fabrics and gives you wrinkle free fabric with easy glide.

EASY TO USE

- 360° rotating cable ensures tangle free ironing
- Spray feature to moisten stubborn wrinkles
- Easy to refill opening
- Ergonomically designed grip

BAGLESS

Bagless vacuum cleaners are not only convenient and easy to clean but are also economical as they save on the recurring cost of purchasing replacement bags!

COMPACT DESIGN

Designed in such a way that they can be stored just about anywhere! So you don't have any problem finding a place to put it!

AIR DUST CATCHER*

A unique technology that gives your home a squeaky clean feeling by catching the dust that's floating just above the floor!

HIGH SUCTION WITH ECO POWER

Energy efficiency of CG300 series is at least 130% greater than conventional vacuum cleaners. With its compact design, this vacuum cleaner can be stored anywhere!
