

Comfortable and Quiet Blow-Drying

The low-noise hair dryer with powerful airflow delivers comfortable and quick blow-drying at all time.

Compact Hair Dryer EH-ND56

- Super Quiet Operation [51dB at SET / 59dB at TURBO]
- Cool Setting
- 3 Airflow Settings
- Set Nozzle
- Foldable Handle

1300 W

Super Quiet Operation for Peaceful Blow-drying

Operation noise is only 51dB at SET mode, quiet enough even when blow-drying at night.

Selectable Temperature / Airflow Settings

You can select the airflow and temperature with TURBO for fast drying, SET for styling, and COOL to leave a longer lasting style.

Foldable, Compact Design

Foldable handle allows convenient and compact storage when not in use.
