Thank you for purchasing this product.
- Read these instructions carefully for optimum performance and safety before use.
- Keep this manual for future reference.

AWW9901A37A0-0B0

Safety Precautions

WARNING

May cause serious injury or death

Children must not use it alone.

- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

Setting the child lock. (P. 26)

May cause fire or electric shock

Do not touch it with wet hands.

Do not hold or pull on the cord.

Do not use.

Fully insert it.

Do not use.

- If the power cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

In case of failure or damaged power cord, stop use and ask the electrical technician.

Accumulated dust may cause fire.

Securely insert the ground prong. Ask the electrical technician for a new socket.

Wipe the power plug periodically.

Use a socket appropriate for this appliance.

- The plug shape, socket shape and rating requirement vary with the region.

Keep away from flammable materials.

May cause failure

Do not disassemble, repair or modify it by yourself.

Safety Precautions (continued)

CAUTION

May cause injury

Be careful not to get your fingers caught.

Do not climb on the appliance.

Do not touch when it is hot.

May cause water leakage

Turn off the water faucet.

Use new hose-sets.

- New hose-sets supplied with the appliance are to be used and old hose-sets should not be reused.

- For maximum mass of dry cloth and pressure of tap water, see P. 44.
- The installation shall be in accordance with the requirements of AS/NZS 3500.1.

May cause failure

Keep away from heat and direct sunlight.

Remove anchor bolts before operation.

Do not obstruct.

- Do not obstruct the openings of the bottom with carpet, etc.

Do not use hot water.

For machine-washable items only.

- This appliance is intended to be used in household. This appliance is not intended to be used in applications such as:
 - staff kitchen areas in shops, offices and other working environments;
 - farm houses;
 - by clients in hotels, motels and other residential type environments;
 - bed and breakfast type environments;
 - areas for communal use in blocks of flats or in laundrettes.

Do not wash excessively oily clothes.
