

➤ Encendido / apagado 

Encendido
Parpadea
Azul

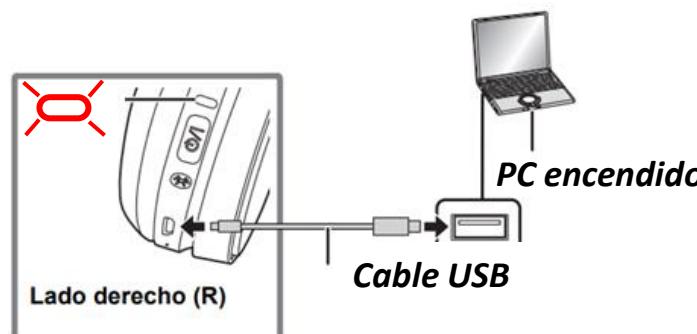

➤ Carga

Nota:

-El LED se ilumina en rojo cuando la carga esta en curso

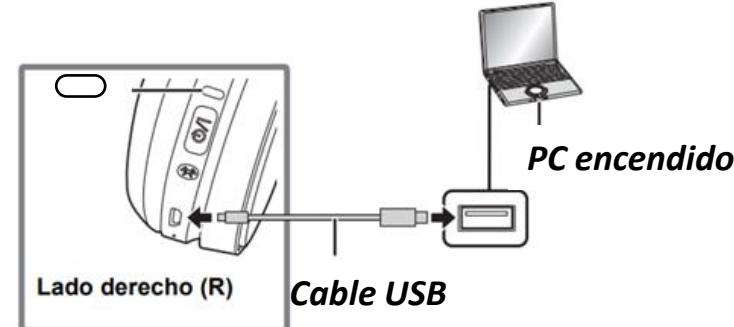

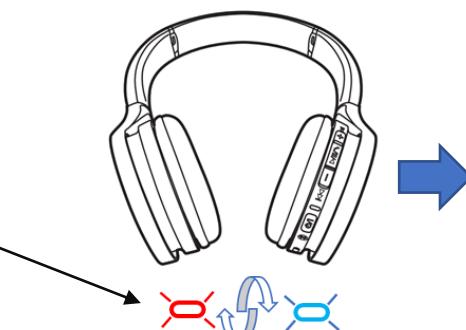

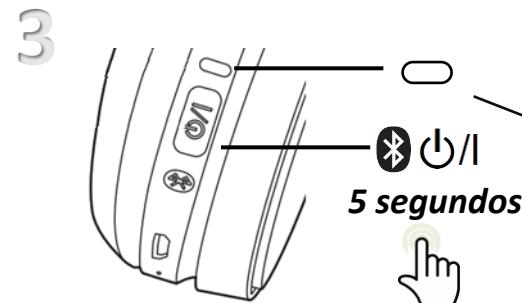

El tiempo de carga desde descargado a 100% dura aproximadamente 2.5 horas

Si el LED no enciende al conectarlo a USB, el Audífono esta cargado al 100%

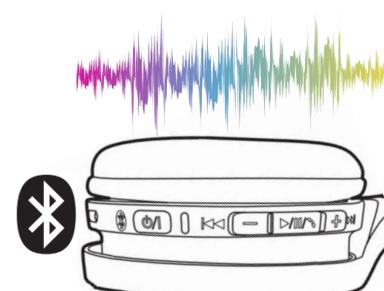

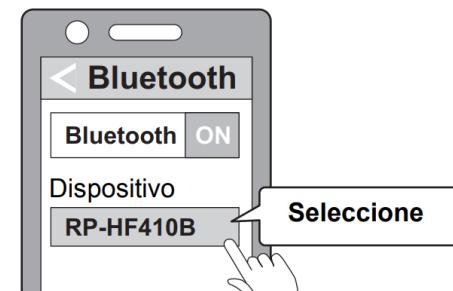

Al Completar la carga el LED se apagará aun conectado a USB

Carga 100%

➤ Conexión a Bluetooth 

El LED parpadea en rojo y azul hasta completar la conexión con el dispositivo

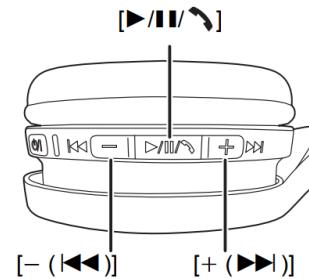

Indicará:
Bluetooth is connected

Cuando el LED parpadea en color azul, la conexión se ha establecido.
