

PRODUCT WARRANTY TERMS AND CONDITIONS

The warranty period for Panasonic products begins from the date of purchase. This warranty applies to all products sold by Panasonic Manufacturing Philippines Corporation (PMPC) within the Philippines only. Customers must present proof of purchase to avail themselves of the product warranty.

The warranty applies if the defective product has been inspected by a customer service representative of PMPC or any Panasonic Authorized Service Center (PASC).

Register the product warranty within one (1) month of the purchase date. Visit the Panasonic Customer Portal at www.panasonic.com/ph/support or scan the QR code.

For the compressor and motor warranty, expendable items such as refrigerant, external overload protector, fuse, relay, filter drier, labor, and transportation cost are excluded.

The warranty is not transferrable and does not apply to damages caused by ants, rodents, insects and arising from accidents, improper installation of units, improper use and abuse, natural disaster such as typhoon, flood, lightning, earthquake, surge current, voltage fluctuation, among others and from failure to follow operating instruction and specification provided. The units are not recommended to be operated with the use of generator set. If the use of generator set is deemed necessary as back-up source of power, it should be operated at the ALLOWABLE VOLTAGE CONDITION of 207-253 volts/ 60 Hz ONLY.

If the serial number is removed, obliterated, and defaced, or the unit is installed faultily, tampered with or altered by anyone other than a duly authorized service personnel of PMPC or its PASC, this warranty will be considered NULL AND VOID.

Supplied or external accessories indicated in the operation instruction are excluded from this warranty. Exterior surface, paint finish, light bulb, glass shelves, and all other surface parts damaged due to mishandling by the user are excluded from this warranty.
