Safety Precautions

! WARNING May cause serious injury or death.

Children must not use it alone

- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

Do not touch the spin tub until it stops

If the spin tub does not stop within 15 sec:

Do not touch it with wet hands

Do not hold or pull on the cord

Fully insert it

Do not use

If the power cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

**Securely insert the ground prong.
Ask the electrical technician for a new socket**

In case of failure or damaged power cord, stop use and ask the electrical technician
