Panasonic, the global choice

Panasonic, as the No.1 supplier brand for world consumer cordless telephony, is committed to creating new forms of communication now and in the future for the sake of our customers.

Working with customers

Panasonic works with customers to create innovative designs. We rely on user perspectives to create products that are both highly useful and feature creative designs.

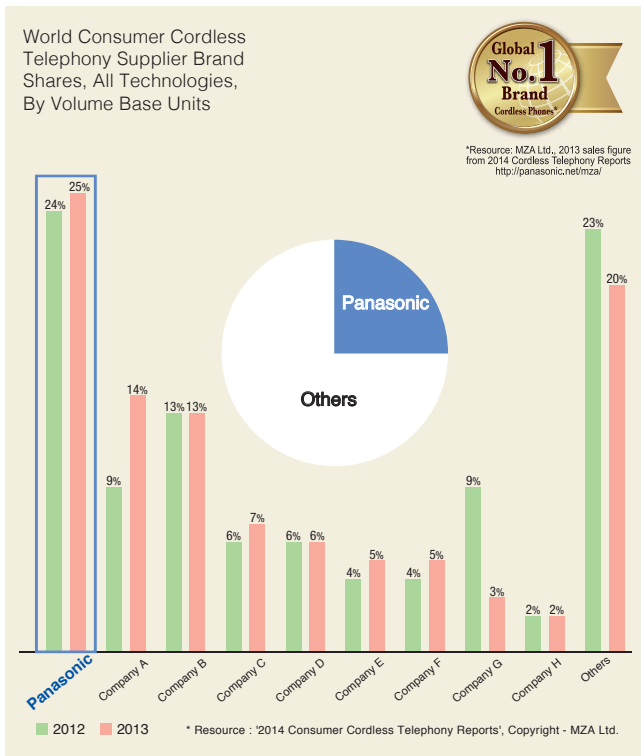

High-quality product development

Product development is guided by advanced technological expertise that aims for the functions and designs that users truly need. In development, we achieved a variety of ergonomic design improvements through joint research with the Academic Laboratory.

Panasonic eco ideas

By fiscal 2019, the 100th anniversary of our founding, we aim to be the No.1 Green Innovation Company in the Electronics Industry. In addition, we will make the 'environment' central to all of our business activities, leading the promotion of Green Innovation which is happening throughout the world.

Simple and Sophisticated Model

Digital Cordless Phone KX-TGK31 Series

A simple design in harmony with interior while retaining the flavour of a classic handset.

Colour Variation

☐ White

Single Cord from Base Unit for a Stylish Design

Combined power cord and telephone line cord between the base unit and interface box for a simple appearance.

Incoming Call Indicator

A blue indicator elegantly notifies you of incoming calls.

Direction-free Charging

The base unit can be installed without worrying about the direction of the handset, enabling you to freely install it according to your room.

Other Features

- Answering System (KX-TGK32 series only)
- New Message Notification by a Call or SMS¹ (KX-TGK32 series only)
- Radiation Free (Eco Mode Plus)
- Nuisance Call Block²
- Do Not Disturb Mode³
- Key Finder Compatible⁴
- Caller ID²
- Customized Sound System (Equalizer)
- Key Lock
- Shared Phonebook³
- Intercom / Intercom All⁵
- DECT Security

¹ Specification may vary by country version. Requires subscription to SMS service offered by your provider/telephone company.

² Requires subscription to Caller ID service offered by your provider/telephone company.

³ No number calls cannot be blocked depending on the service of your provider/telephone company.

⁴ The optional Key Finder KX-TGA20 is required. Up to 4 Key Finders can be used.

⁵ Optional handset required.

Simple and Refined Model

Digital Cordless Phone KX-TGD31 Series

1.8-inch clear vision by white illuminated display.

A noise reduction function and large speaker enables recorded messages to be clearly played back. (KX-TGD32 series only)

Colour Variation

● Carbon Gray & Silver

Nuisance Call Block*

You can block any specified number, as well as any head string of 2 to 8 digits matching your specified numbers or numberless calls.

*Requires subscription to Caller ID service offered by your provider/telephone company.
Numberless calls cannot be blocked depending on the service of your provider/telephone company.

Baby Monitor

The monitored handset will automatically call the monitoring handset¹ when it detects sound. When parents have to leave the baby, the handset will capture the baby's crying voice and notify them via a handset² in another room.

*1 Notification is also available via an outside line.
*2 Optional handset may be required depending on the model.

Radiation Free* (Eco Mode Plus)

Eco Mode Plus cuts transmitting power to zero. The base unit stays OFF until a call comes in or a handset is activated.

*Specification may vary by country version.

DECT Security

Communications between the cordless handset and base unit are encrypted, and the encryption password is periodically changed to maintain a high level of security.

Other Features

- Advanced Answering System (KX-TGD32 series only)
- Long Life Battery
- Key Finder Compatible¹
- Do Not Disturb Mode²
- Power Back-Up Operation^{3,4}
- Customized Sound System (Equalizer)
- Shared Phonebook⁵
- Caller ID²
- Key Lock
- Intercom / Intercom All⁵

*1 The optional Key Finder KX-TGA20 is required. Up to 4 Key Finders can be used.

*2 Requires subscription to Caller ID service offered by your provider/telephone company.

*3 Specification may vary by country version.

*4 The base unit gets temporary power supply from a handset in the case of a power outage.

*5 Optional handset may be required depending on the model.

- Nuisance Call Block
- Power Back-Up Operation

Eco

see p.37

- Radiation Free (Eco Mode Plus)
- One Touch Eco Mode / Eco Mode
- Low Radio Power

Convenient

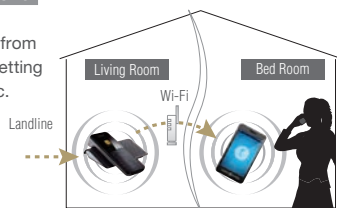

Smartphone Connect*

Use your smartphone as an additional DECT handset

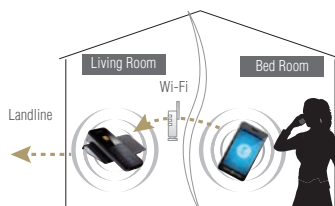

Answer landline calls with your smartphone

You can set your smartphone to receive calls from this phone, so that you don't have to bother getting up when relaxing in bed, in the living room, etc.

Make landline calls with your smartphone

You can make landline calls using the phonebook in your smartphone, without having to copy it to the DECT handset. Names and groupings from your phonebook can be used, making it easy to find your contacts.

- Transfer landline calls between your smartphone and your DECT handsets
- Use as an intercom between smartphones and DECT handsets
- Make 3 party conference calls (outside caller - DECT handset - smartphone)
- Copy ringtone and wallpaper images from smartphones (Android only)
- Play answering system messages (KX-PRW120 / PRW130 only)

* Requires wireless router for Wi-Fi connections.
Requires the Smartphone Connect app to be installed on each smartphone in order to function.

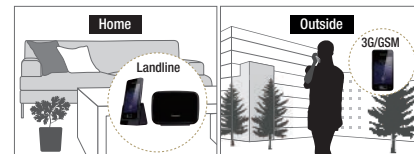

Applicable Models: KX-PRW120 / PRW110 / PRW130

2-in-1 Communication

Use both home and mobile phone features in one device

You can use the KX-PRX150 as a cordless home telephone on your landline when at home and as a 3G/GSM* mobile phone when away from home.

* A SIM card is required for 3G/GSM connections.

Welcome back notifications

When you return home, the KX-PRX150 automatically connects to the base unit. It also alerts you with sounds and notification icons if there are any missed calls, and informs you of the presence/absence of new messages on the landline.

Applicable Models: KX-PRX150

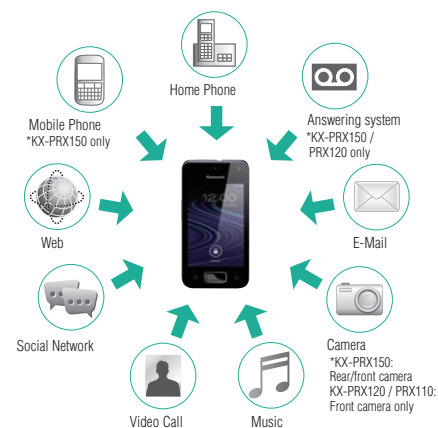

Multi-Function Telephone

Enjoy Android applications like smartphones

You can use a multitude of convenient features, in the same way that you would use a smartphone.

* You may be required to download and install an application from a website to use these functions.
* You must connect to a Wi-Fi network (requires a wireless router) or to a 3G/GSM (requires a SIM card) to download applications.

Applicable Models:
KX-PRX150 / PRX120 / PRX110

Advanced TAM

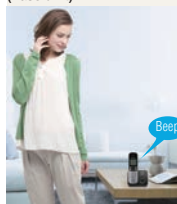

Catch answering machine calls whether you are at home or away

When a new message is recorded on the answering machine, the base unit can alert you with a sound. Furthermore, when you are away, it can send an alert by a call or SMS*1 to a pre-registered mobile phone or office phone. When you are alerted by a call, after you answer you can hear your new message.

Applicable Models: KX-PRX150+ / PRX120*2 / PRW120 / PRW130 / PRS120 / TGJ320 / TGH220 / TGF320 / TGK320+ / TGE220 / TGD320 / TG6820 / TG6891

At Home

Audible alert from the base unit (Base unit)

Fast-Forwarding and Rewinding Message
Individual messages can be fast-forwarded or rewind.

Away

New Message Notification

New Message Notification by an SMS*1

New Message Notification by a Call

Talking Caller ID*1

Announces who is calling

The name of the caller is announced when someone calls*2. So you'll know who it is right away without having to look at the LCD. This is especially convenient when you cannot reach your phone or when you're busy and can't see the screen.

Applicable Models: KX-PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TG8561 / TG8551 / TGF320 / TGF310 / TGE220 / TGE210

*1 Requires subscription to Caller ID service offered by your provider/telephone company. Specification may vary by country version.

*2 The caller's name must be registered in your phonebook.

Ring.. Ring.. Ring..
"Call from John Smith"

Repeater

Take your calls up to double the distance

The telephone can be used over a longer range and wider area around the house owning to a repeater provided as part of the standard equipment. The repeater doubles the effective transmission distance between the base unit and the cordless handset for clear conversations.

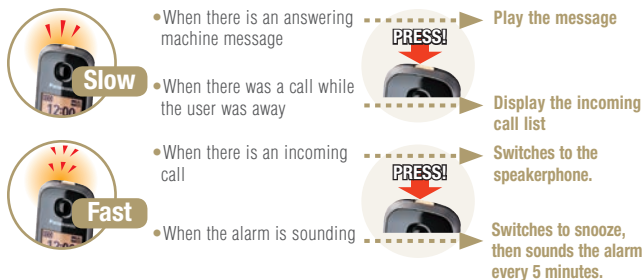

Applicable Models (Repeater Included): KX-TG6761 / TG6751

Smart Function Key

Get right to what you want to do

A simple press of the Smart Function Key (Top Key/NR Key) lets you use a number of convenient functions.

The Smart Function Key flashes at a different rate depending on the situation. By pressing this key while it is flashing, you can listen to your voice mail or respond to a call. It takes ease of use to a whole new level.

Applicable Models:

<Top Key> KX-TG8161 / TG8151 / TG6721 / TG6711 / TG6761 / TG6751

<NR(Noise Reduction) Key> KX-TGH220 / TGH210 / TGE220 / TGE210 / TG6821 / TG6811 / TG6891 / TG6881

Multi-Handset Expandability*

A handset for every room

Everyone in your family can have their own telephone handset, or you can place a different handset in different rooms, such as the kitchen, bedrooms, living room, den, etc.

Private extensions

When multiple handsets are available, you can enjoy handset-to-handset talking.

Applicable Models: All cordless handsets except KX-TGC220 / TGC210 / TG2721 / TG2711 / TG2521 / TG2511 / TGB210 / TG1711 / TG1611

* Optional handset required.

Baby Monitor

Smart baby care in another room

Lets you know when the baby starts crying, even from another room. This is a convenient function for homes with babies. When parents have to leave the baby, the handset will capture the baby's crying voice and notify them via a handset*1 in another room.

Note: Notification is also available via an outside line.

Applicable Models: KX-PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TG8561 / TG8551 / TGH220 / TGH210* / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310

*1 Optional handset may be required depending on the model.

*2 The sales of optional handset may vary by country.

Do Not Disturb Mode

Never disturb your sound sleep

■ Block call for specific periods

Each handset can be programmed to prevent ringing during specific periods, so the phone won't ring while you're sleeping.

Applicable Models: All cordless handsets except KX-TG6461 / TG6451 / TG6481 / TG5521 / TG5511 / TGC220 / TGC210 / TG2721 / TG2711 / TG2521 / TG2511 / TGB210 / TG1711 / TG1611

■ Bypassing do not disturb mode*

The ringer can be turned on for special callers even in the Do Not Disturb Mode by placing select numbers in a specified contacts group of the phonebook.

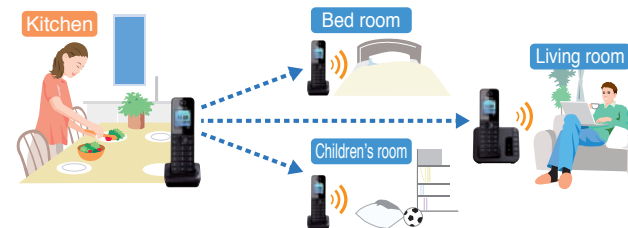

Applicable Models: KX-PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TG8561 / TG8551 / TG8161 / TG8151 / TGH220 / TGH210 / TG8061 / TG8051 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310

* Requires subscription to Caller ID service offered by your provider/telephone company.

Intercom All*1

Call all handsets at the same time

This feature lets you call all other handsets at the same time. It comes in handy when you want to talk to a family member you do not know where he/she is in the house.

Applicable Models: KX-TGJ320 / TGJ310 / TGH220 / KX-TGH210* / TGF320 / TGF310 / KX-TGE220 / KX-TGE210 / TGD320 / TGD310

*1 Optional handset may be required depending on the model.

*2 The sales of optional handset may vary by country.

Advanced Alarm Clock

No need for an alarm clock

There is no need for a separate alarm clock, because the alarm function lets you set a different wake-up time for each day (Weekly setting), and the Snooze function sounds the alarm every 5 minutes. Helps keep the area around your bed neat and tidy.

Applicable Models: KX-PRX150 / PRX120 / PRX110 / PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TG8561 / TG8551 / TG8161 / TG8151 / TGH220 / TGH210 / TG7861 / TG7851 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310 / TG6821 / TG6811 / TG6891 / TG6881 / TG6721 / TG6711 / TG6761 / TG6751 / TGC220 / TGC210 / TGB210* / TG1711* / TG1611*

* Weekly setting is not supported.

Easy to Use

Touchscreen Display

Intuitive operations

Thanks to the comfortable size of its touch screen, the handset is intuitive and easy to use. The display is also useful when you write e-mails or browse websites in addition to making calls.

Applicable Models: KX-PRX150 / PRX120 / PRX110

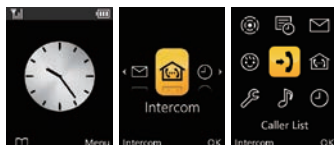

TFT Colour Display

Beautiful, easy to read graphic user interface

The KX-PRW/PRS series uses a beautiful graphical interface, stunningly realized on its 2.2-inch TFT colour LCD (QVGA) screen.

Applicable Models: KX-PRW120 / PRW110 / PRW130 / PRS120 / PRS110

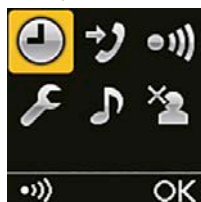

Enjoy clear images and characters

The TFT (Thin Film Transistor) LCD displays both text and colour images with higher clarity and visibility than conventional displays.

Applicable Models: KX-TGJ320 / TGJ310 / TG8561 / TG8551 / TG8161 / TG8151 / TGH220 / TGH210 / TG8061 / TG8051 / TG7861 / TG7851

LCD sample of KX-TG7851

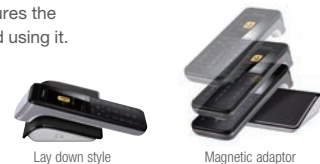

Lay Down Style

Stable and easy to operate

The KX-PRW series was created following the concepts of universal design. Its lay down style makes it easy to pick up, operate, and dial with only one hand. In addition, the magnetic adaptor* secures the phone in place when you are finished using it.

* The base unit and handset connect with magnets.

Applicable Models:
KX-PRW120 / PRW110

Visual Message List

Listen to only the messages you want

Select and play messages from only the displayed names or phone numbers you want to hear. You can save time and skip unwanted calls.

Applicable Models: KX-PRX150 / PRX120 / PRW120 / PRW130 / PRS120 / TGJ320 / TGJ310 / TG8561 / TG8161 / TGH220 / TG8061 / TG7861

TAM Counter on Base

Number of messages at a glance

The TAM Counter shows the message count on the base unit, so you can check the number of messages while you're away without operating the handset or base unit. Convenient for user who frequently use the answering machine.

Applicable Models: KX-PRW130 / TGJ320 / TG8561 / TG8161 / TG8061 / TGE220 / TG6821 / TG6891 / TG6721 / TG6621

Ringer Indicator

Confirm incoming calls visually

The Light-up Indicator on the handset (on the top of the handset, or the Smart Function Key) flashes to indicate there is an incoming call. Convenient when waiting for a call, leaving the handset anywhere you like.

Applicable Models: All cordless handsets except KX-PRX150 / PRX120 / PRX110 / PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TG7861 / TG7851 / TGF320 / TGF310 / TGD320 / TGD310 / TGC220 / TGC210 / TG2721 / TG2711 / TG2521 / TG2511 / TGB210 / TG1711 / TG1611

Hands-Free Speakerphone

Fatigue-free talking

You can talk for extended periods without getting tired from holding the handset.

Do something else while talking

You can answer the phone without interrupting what you're doing — whether you're cooking, cleaning, or surfing the Internet. It's also convenient when you need to take notes, use a keyboard, etc.

Applicable Models: All cordless handsets except KX-TGB210 / TG1711 / TG1611

Bluetooth on Handset

Talk hands-free with a Bluetooth headset

With built-in Bluetooth, the signal can be transferred from the handset to a Bluetooth headset for convenient, hands-free conversation. You can also transfer phonebook data from your GSM mobile to the handset.

Applicable Models: KX-PRX150 / PRX120 / PRX110

Secure Grip Handset

Fatigue-free talking

The rubberised grip on the back of the handset makes it more comfortable to talk while resting the phone on your shoulder. You can talk even while taking a memo or doing something during conversation.

Applicable Models: KX-TG8161 / TG8151 / TG8061 / TG8051 / TG6591 / TG6571 / TG6721 / TG6711 / TG6761 / TG6751 / TG6621 / TG6611

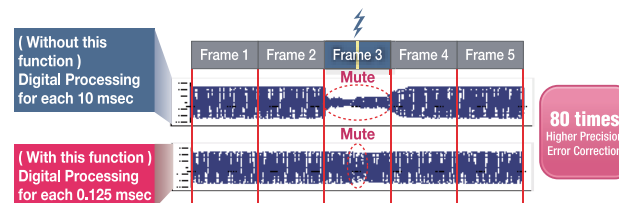

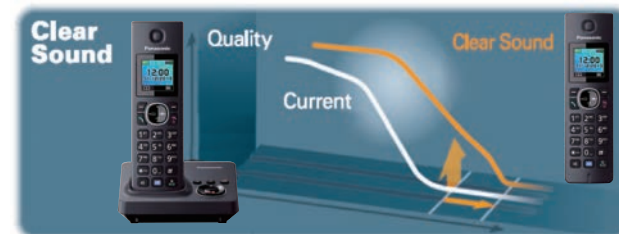

Easy to Hear

Clear Sound System

Comfortable communication with less interruption

Unique Panasonic technology achieves 80 times the accuracy in error correction compared to other DECT models, which greatly improves communication quality.

Applicable Models: All cordless handsets except KX-TG6461 / TG6451 / TG6481 / TGB210 / TG1711 / TG1611

Noise Reduction

Reduce the background noise of the other party

When the area around the other party is noisy and it is difficult to hear, you can reduce the surrounding noise to make the speaker's voice easier to hear just by pressing the dedicated button.

Applicable Models: KX-PRW120* / PRW110* / PRW130* / PRS120* / PRS110* / TGH220 / TGH210 / TG7861 / TG7851 / TGF320** / TGF310** / TGE220 / TGE210 / TG6821 / TG6811 / TG6891 / TG6881

*1 With these models, noise reduction is not set by pressing a dedicated button but by selecting the feature from a menu.

**2 Only when using a cordless handset.

Clear Answering System Sound **NEW**

Noise recorded together with messages is reduced when playing back a message in the answering system to make the message easier to hear.

Applicable Models: KX-TGJ320 / TGF320 / TGK320 / TGD320

Customised Sound System

Clear sound for everyone

The range of sounds that can be easily heard varies according to a person's age. The Customised Sound System lets you adjust the pitch of voices on the phone, making it easy for users of all ages to comfortably listen to sounds that are easy to hear.

Bass boost

Alto

Treble boost

Applicable Models: KX-PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TG8561 / TG8551 / TG8161 / TG8151 / TGH220 / TGH210 / TG8061 / TG8051 / TG7861 / TG7851 / TGE220 / TGE210 / TG6821 / TG6811 / TG6891 / TG6881 / TG6721 / TG6711 / TG6761 / TG6751 / TG6621 / TG6611

Reliable

DECT Security Mode

Protect calls

Communications between the cordless handset and base unit are encrypted, and the encryption password is periodically changed to maintain a high level of security.

Applicable Models: KX-TGJ320 / TGJ310 / TGH220 / TGH210 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310

DECT Security Certified Models: KX-TGJ320 / TGJ310 / TGH220 / TGH210 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310

Key Finder

The handset detects lost items

Simply attach the Key Finder to items that you often misplace, and use the DECT cordless handset to find them quickly and easily. You can see roughly how close you are to your lost item on the LCD screen, and both the handset and Key Finder beep when being searched for, making them easy to find.

Alarms from both the handset and Key Finder

Both the handset and Key Finder beep when searching for the Key Finder.

Applicable Models:

<Key Finder Included> KX-TG6891 / TG6881

<Key Finder Available> KX-PRX150 / PRX120 / PRX110 / PRW120 / PRW110 / PRW130 / PRS120 / PRS110 / TGJ320 / TGJ310 / TGH220 / TGH210 / TG7861 / TG7851 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310 / TG6821 / TG6811

Necessary Optional Equipment: KX-TGA20 Key Finder (See p.73)

Key Finder
KX-TGA20

Nuisance Call Block*

Reduce unwanted calls such as telemarketers

Block calls from specified numbers

Now you don't have to deal with annoying telemarketers or other junk calls. You can programme your phone to block unwanted calls so you can relax.

Applicable Models: All cordless handsets except KX-TG5511 / TG2721 / TG2711 / TG2521 / TG2511 / TGB210 / TG1711 / TG1611

Block range of numbers

The feature protects you better against spam and nuisance calls by blocking any head string of 2 to 8 digits matching numbers you specify. This feature is also useful for blocking toll-free number prefix or country/area codes. In addition, numberless calls can be blocked.

Applicable Models: KX-TGJ320 / TGJ310 / TGH220 / TGH210 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310 / TGC220 / TGC210

* Requires subscription to Caller ID service offered by your provider/telephone company.
Numberless calls and calls from abroad cannot be blocked depending on the service of your provider/telephone company.

Power Back-Up Operation

You can even use the phone during a power failure

During an electric power failure, the power stored in the handset can be supplied to the base unit. This allows you to make a call with handset even when the power is out. (Available in certain countries only.)

Applicable Models: KX-TGJ320 / TGJ310 / TG8561 / TG8551 / TG8161 / TG8151 / TGH220 / TGH210 / TG8061 / TG8051 / TGD320 / TGD310 / TG6821 / TG6811 / TG6891 / TG6881 / TG6721 / TG6711 / TG6761 / TG6751 / TG6621 / TG6611

Battery back up for unexpected power failures **NEW**

Continue to use LCD of the base unit or handset if the power goes out by using batteries* in the base unit.

Applicable Models: KX-TGF320 / TGF310

* Batteries not supplied. 2 AAA (R03) rechargeable Ni-MH batteries required.

Eco

Radiation Free (Eco Mode Plus)

Completely eliminate radiation while the phone is on standby mode

Eco Mode Plus cuts transmitting power to zero. The base unit stays OFF until a call comes in or a handset is activated.

Applicable Models: KX-TGJ320 / TGJ310 / TGH220 / TGH210 / TGF320 / TGF310 / TGK320 / TGK310 / TGE220 / TGE210 / TGD320 / TGD310

* Please note that this feature is not available in some countries.

One Touch Eco Mode / Eco Mode

One Touch Eco Mode / Eco Mode let you lower the power consumption

Just press the dedicated ECO button. Signal output is reduced by up to 90% and power consumption is reduced by about 3.5% when compared with the normal mode. In the Eco mode, the ECO indicator is clearly displayed on the LCD to show the Eco mode is activated.

Applicable Models: All cordless handsets except KX-PRX150 / PRX120 / PRX110 / TG6461 / TG6451 / TG6481 / TGB210 / TG1711 / TG1611

Low Power Mode

The closer to the base, the lower the power consumption

When the handset is used close to the base unit, Signal output is automatically reduced to 1/10 the original level to reduce power consumption.

Applicable Models: All cordless handsets except KX-TG6461 / TG6451 / TG6481
