1st Model Digital TV

1985

Over 100 Million  
Sets Sold

1998

Over 200 Million  
Sets Sold

2008

Over 300 Million  
Sets Sold

1952 marked the debut of our first black-and-white TV, where many were ushered into the new world of sights and sounds, paving the way for the advancement of its cutting-edge technologies. Fast-forward to today, a new era has been established as Panasonic's newest 4K OLED TV continues to astound with its incredibly realistic image quality, delivering a more compelling visual experience than ever before.
