Reminder to retain purchase receipt for warranty support

Valued customers,

Thank you very much for your patronage and support.

With the phasing out of warranty cards, please be reminded to retain the original purchase receipt or keep a digital image of the receipt for warranty support.

Service charges for after-sales services are applicable in the event of the inability to produce a valid receipt.

The receipt should be original, and include and clearly state the following information:

- **Date of purchase**
- **Full model number**
- **Serial or production lot number**

(See sample of acceptable receipt in Appendix.)

Our decisions are final, and no correspondence or disputes will be entertained.

Warranty terms and conditions can be accessed and downloaded by scanning on the QR code:

Thank you once again for your attention and cooperation.
