Thank you for purchasing this product.

- Read these instructions carefully for optimum performance and safety before use.
- Keep this manual for future reference.

Specifications

Model	NA-W16XG2BMY
Destination	Malaysia
Rated voltage	220-240 V
Rated frequency	50 Hz
Rated power consumption	710W (Wash 500 W, Spin 210 W)
Maximum mass of dry cloth (Wash)	16 kg
Maximum mass of dry cloth (Spin)	8 kg
Standard water amount	105 L
Maximum inlet water pressure	300 kPa
Product dimensions	957 mm(W) × 549 mm(D) × 1045 mm(H)
Product weight	32 kg

Safety Precautions

⚠ WARNING May cause serious injury or death.

Children must not use it alone

- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

Do not touch the spin tub until it stops

If the spin tub does not stop within 15 sec:

Do not touch it with wet hands

Do not hold or pull on the cord

Fully insert it

Do not use

If the power cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

**Securely insert the ground prong.
Ask the electrical technician for a new socket**

In case of failure or damaged power cord, stop use and ask the electrical technician

Final Step

Use a socket appropriate for this appliance

e.g.)

The plug shape, socket shape and rating requirement vary with the region.

Accumulated dust may cause fire

Wipe the power plug periodically

Keep away from flammable materials

Do not disassemble, repair or modify it by yourself

CAUTION May cause injury or property damage.

Be careful not to get your fingers caught

Do not spin waterproof items

Do not use hot water

Do not climb on the appliance

Use new hose-sets

Do not obstruct

For machine-washable items only

This appliance is intended to be used in household. This appliance is not intended to be used in applications such as:

- staff kitchen areas in shops, offices and other working environments;
- farm houses (excluding clothes);
- by clients in hotels, motels and other residential type environments;
- bed and breakfast type environments;
- areas for communal use in blocks of flats or in laundrettes.

New hose-sets supplied with the appliance are to be used and old hose-sets should not be reused.

Do not obstruct the openings of the bottom face with carpet, etc.

Handle the appliance carefully

- Unplug and cut off the power.
- Secure parts that can easily come off.
