

Important Notice

Thank you for choosing our product.

Before using our product, please read carefully all the instruction documents that have come along with your purchase to make the best use of the product.

Our ABAYA WASH washing machine range is specially designed to make your life easy when washing your exquisite and delicate Abayas as well as all other delicate fabrics with our new technology and special features incorporated in our product.

For washing Abayas or any such delicate clothing, only use (Gentle Hand Wash) modes (depending on the model you have purchased). Please see illustration below:

However, we shall in no event be liable for any damage or loss arising out or in connection with the use of the product in the following cases without limitation,

- ① If the garment manufacturer recommends 'Hand wash' or 'Dry-clean'
- ② For very special fabric material (eg. Leather, Fur, etc.)
- ③ Using detergents that might contain any bleach when washing dark colored clothes such as Abayas.

Whilst every effort of advanced technological improvements has been incorporated to help lessen your chores of washing Abayas and any such type of delicate clothing, it is important that you exercise caution while using the washing machine for the choice of fabric, wash option and detergent for the best results.
