- (i) 1976 Hart-Scott-Rodino Antitrust Act of the United States

The Tender Offeror is required to file a Premerger Notification Form concerning business combination with the Antitrust Division of the United States Department of Justice and the Federal Trade Commission of the United States (hereinafter collectively referred to as the “United States Antitrust Agencies”) prior to the acquisition of the shares of the Target through the Tender Offer (hereinafter referred to as the “Share Acquisition” in this section) pursuant to the United States Hart-Scott-

Rodino Antitrust Improvements Act of 1976, as amended (hereinafter referred to as the “United States Antitrust Act”). Within 15 days after the receipt of such Premerger Notification Form, the United States Antitrust Agencies will determine whether or not to conduct a more detailed investigation (the second-phase investigation). If the United States Antitrust Agencies decide to conduct the second-phase investigation within 15 days of the receipt of the Premerger Notification Form, one of the United States Antitrust Agencies will make a request for additional materials (the second request) from the Tender Offeror and conduct the second-phase investigation. In such case, unless one of the United States Antitrust Agencies take measures such as prohibition of the Share Acquisition during a certain waiting period, the Tender Offeror may carry out the Share Acquisition after the termination of the aforementioned certain waiting period. The Premerger Notification Form concerning the Share Acquisition was received by the United States Antitrust Agencies on February 9, 2009 (local time). Subsequently, the Federal Trade Commission issued to the Tender Offeror a second request on February 24, 2009 (local time), and conducted the second-phase investigation. In the course of the second-phase investigation,, the Tender Offeror proposed the remedy as described herein under “(5) Remedies under competition laws” of “3. Purpose of the Tender Offer” above to the Federal Trade Commission. Although the investigation by the Federal Trade Commission is currently still continuing, focused on the said proposed remedy, it is expected that the aforementioned waiting period will terminate without measures such as prohibition of the Share Acquisition being taken by the Federal Trade Commission within the Tender Offer Period determined at time of filing of the Statement as described herein under “a. Tender Offer Period determined at time of filing of the Statement” of “(1) Tender Offer Period” of “4. Tender Offer Period, Purchase Price and Number of Share Certificates, etc. Scheduled to be Purchased” above.

(vii) 1998 Competition Act of the Republic of South Africa

The Tender Offeror is required to file a merger notification concerning the business combination with the Competition Commission of South Africa prior to the Share Acquisition pursuant to Competition Act 89 of 1998 of the Republic of South Africa, as amended. Within the investigation period of 20 business days (which may be extended up to 60 business days), the Competition Commission of South Africa determines whether (a) to approve the Share Acquisition, (b) to approve the Share

Acquisition subject to any conditions or (c) to prohibit the Share Acquisition. In addition, if the Competition Commission of South Africa does not make any decision within the aforementioned investigation period, the Share Acquisition shall be regarded as having been approved. The merger notification was received by the Competition Commission of South Africa on January 21, 2009 (local time). Subsequently, the Competition Commission of South Africa approved the Share Acquisition on March 17, 2009 (local time).

The Tender Offeror may withdraw the Tender Offer if, on or prior to the day immediately preceding the completion of the Tender Offer Period (including the case where the Tender Offer Period is extended), (a) the waiting period mentioned in (i) above does not terminate or (b) the Federal Trade Commission of the United States takes measures such as prohibition of the Share Acquisition, since such event would constitute an event listed in Article 14, Paragraph 1, Item 4 of the Enforcement Order which is described in “(2) Conditions of Withdrawal, etc. of Tender Offer, Details thereof and method of disclosure of withdrawal, etc.” of “11. Other Conditions and Methods of Purchase, etc.” below.
