Let's explore SDGs!

Choose one SDGs that you resonate with and answer the following eight questions.

(1) Which of the 17 listed goals do you want to research? Pick one.

(Example) Goal 4 : Quality education

SUSTAINABLE DEVELOPMENT GOALS

(2) Why did you choose that goal? Explain.

(3) Write down some current facts about the topic you picked.

(4) What are your country's efforts to support your SDGs? Consider both the government and organizations.

(5) How would you achieve the SDGs (you chose)...

- If you were the prime minister / president of your country?

- If you were the CEO of a company?

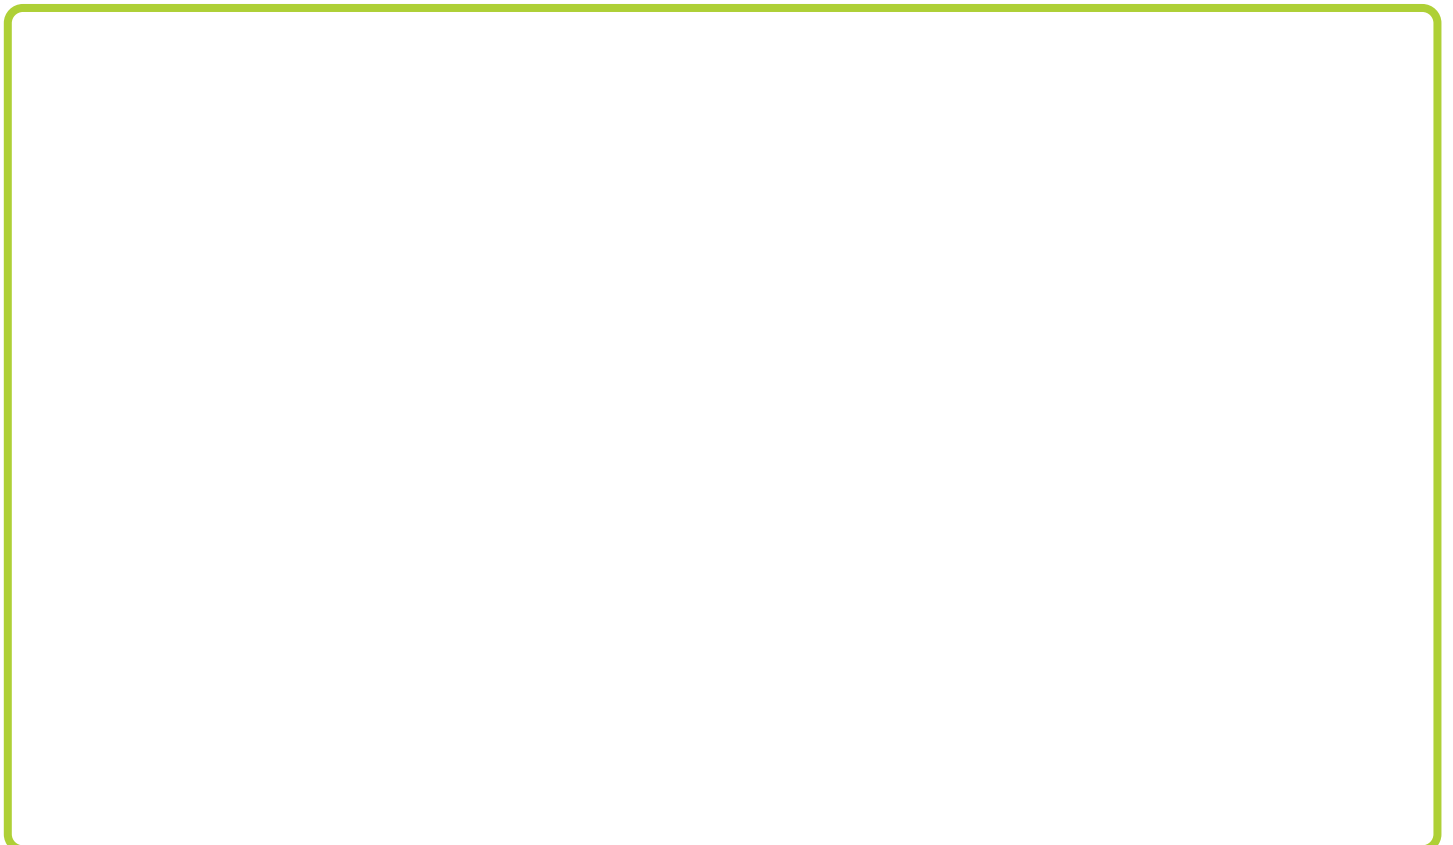

- as a regular student?

(6) Based on the ideas you brainstormed, come up with a personal action plan to support your goal.

(7) Summary

Write freely what you feel now that you've completed your research. Are there any other SDGs you'd like to learn more about?

(8) List the sources and materials (books, website links, newspaper articles, magazines, etc.) you used for your research.
