ECO-FRIENDLY REFRIGERANT

Hydrocarbon Refrigerant is used to save up to 40% electricity savings*

HIGH PUFF THICKNESS

High Density Puff Insulation for longer cooling retention*

4 YEARS WARRANTY*

Comprehensive Warranty* for peace of mind

TROPICAL COMPRESSOR

Smooth Operation in high ambient till 50°C

STABILIZER FREE OPERATION*

Operates in wide Voltage Range*

POWDER COATED METAL LINER

Metal sheet inside for rugged and heavy duty usage*

*T&C Apply
